PROCEEDINGS

1201

1 (In open court.)

2 THE COURTROOM DEPUTY: All rise. Honorable
3 Brian M. Cogan now presiding.

4 THE COURT: Before we have the jury in -- just have
5 a seat, please -- defendant is going to do a cross of this
6 witness.

7 MR. MIEDEL: I am.

8 THE COURT: As soon as I left court yesterday it
9 occurred to me I should have asked, whether you still thought
10 you needed the night off in order to do the cross given the
11 direct.

12 MR. MIEDEL: Yes.

13 THE COURT: That's okay. That's fine. I just -- I
14 don't want you to feel you have to do a cross just because we
15 had motion practice.

16 MR. MIEDEL: That's fine, Judge.

17 THE COURT: You still want to do it, right?

18 MR. MIEDEL: I do. I do.

19 THE COURT: My concern was that I was
20 inconveniencing the witness for no reason. If you want to
21 cross, it might feel better.

22 MS. KOMATIREDDY: Thank you, Judge.

23 With respect to the witness after this one, I just
24 want to confirm ECF 170, that the Court was going to grant
25 that motion.

WAYNE - CROSS - MR. MIEDEL

1202

1 MR. MIEDEL: We don't object to that motion.

2 THE COURT: Then I am going to grant it.

3 MS. KOMATIREDDY: Thank you, Judge.

4 THE COURT: Let's have the witness back and the jury
5 in, please.

6 MR. MIEDEL: Good morning.

7 THE WITNESS: Good morning.

8 (Jury enters.)

9 THE COURT: Everyone be seated. Good morning again,
10 ladies and gentlemen. Hope you had a good evening.

11 We will have cross-examination by Mr. Miedel.

12 CROSS-EXAMINATION

13 CROSS-EXAMINATION (Continuing)

14 BY MR. MIEDEL:

15 Q Good morning.

16 A Good morning.

17 Q The mic? Can you hear me?

18 THE COURT: No. Try now.

19 Q Good morning, Your Honor -- good morning, Ambassador.

20 THE COURT: I think you can call an ambassador
21 "Your Honor."

22 MR. MIEDEL: I think I can.

23 THE COURT: People call you Ambassador, right?

24 THE WITNESS: Ambassador occasionally, yes.

25 THE COURT: Go ahead.

WAYNE - CROSS - MR. MIEDEL

1203

1 Q My name is Florian Miedel. I represent Genaro
2 Garcia Luna. Good morning.

3 A Good morning.

4 Q So you testified that you were ambassador to Mexico from
5 the end of 2011 until 2015; is that correct?

6 A From September 2011 until the end of July in 2015, yes.

7 Q Okay. And as ambassador to Mexico, you were the highest
8 ranking representative of the United States in Mexico, right?

9 A Correct.

10 Q There is nobody higher than you representing the
11 United States in Mexico when you were the ambassador?

12 A Correct.

13 Q Now, one of the primary issues that the United States and
14 Mexico deal with as neighbors is the drug war, correct?

15 A Yes. And -- and related public security issues.

16 Q Sure.

17 And is it fair to say that by the time that you were
18 ambassador to Mexico, Mexico was the number one source of
19 illegal drugs coming into the United States.

20 A It was certainly the major drug focus of -- coming into
21 the United States during that period of time, yes.

22 Q And when you were ambassador, Mexico was a close partner
23 of the United States in trying to curtail or to stop the drug
24 trafficking across the border, correct?

25 A That is correct.

WAYNE - CROSS - MR. MIEDEL

1204

1 Q And it was the United States -- in the United States'
2 interest to work with Mexico, its government and its police
3 and its armed forces to that -- in that effort, right?

4 A That is correct.

5 Q And you worked -- you, personally, worked closely with
6 your Mexican counterparts in the Mexican government, right?

7 A I did.

8 Q And that included Mr. Garcia Luna, right?

9 A Yes, it did.

10 Q Now, you testified yesterday briefly about the Merida
11 Initiative?

12 A Yes, the Merida Initiative.

13 Q Merida. Sorry.

14 A It's okay, I had to learn too.

15 Q Could you just explain to the jury a little bit what that
16 was?

17 A In 2008, President Bush and President Calderon agreed
18 that there needed to be expanded cooperation between Mexico
19 and the United States, and that the United States, as part of
20 that, would provide increased assistance across a range of
21 areas to Mexico to help them strengthen their capacities to
22 work against these organized crime gangs and units that were
23 present in Mexico.

24 Q And congress allocated sizable funds for that effort,
25 right?

WAYNE - CROSS - MR. MIEDEL

1205

1 A They did. And they -- there was a yearly appropriation.

2 Q And as part of that initiative, there was a significant
3 amount of intelligence sharing between the two countries,
4 right?

5 A There was a good deal of sharing of intelligence between
6 the countries, yes.

7 Q And the United States provided funds to the government of
8 Mexico to help combat the cartels, right?

9 A Yes, that is correct.

10 Q As well as equipment?

11 A There was training, there was equipment, as well as the
12 person-to-person collaboration, agency-to-agency
13 collaboration.

14 Q And as your role as ambassador, you had direct dealings
15 with President Calderon?

16 A I did, yes.

17 Q And you also had direct meetings, as you testified, with
18 his ministers , correct?

19 A Correct.

20 Q And those ministers included Mr. Garcia Luna, right?

21 A Correct.

22 Q And he was the cabinet secretary in the Calderon
23 government who was most directly responsible for fighting the
24 war on drugs, right?

25 A His -- yes, his ministry was the ministry of public

WAYNE - CROSS - MR. MIEDEL

1206

1 security. There were other agencies that played important
2 roles in that effort.

3 Q Now, you testified yesterday that you met Ms. -- with
4 Mr. Garcia Luna multiple times during your year that you
5 overlapped with him, right?

6 A Yes.

7 Q And can I just show you what is, for identification
8 purposes, Exhibit I.

9 Has that appeared on your screen yet.

10 A Not yet.

11 Q Has it appeared now?

12 A Oh, wait.

13 Q Ambassador, do you see that photograph?

14 A I do.

15 Q Okay. Is that a photograph of you meeting with
16 Mr. Garcia Luna?

17 A It is the two of us talking.

18 Q And is that a fair and accurate depiction of yourself and
19 Mr. Garcia Luna together?

20 A Yes.

21 MR. MIEDEL: Your Honor, I would move to admit
22 Defense Exhibit I.

23 MS. KOMATIREDDY: No objection.

24 THE COURT: Received.

25 (Defense Exhibit I, was received in evidence.)

WAYNE - CROSS - MR. MIEDEL

1207

1 Q Fair to say that that was one of the times that you were
2 talking with them during your time in Mexico, correct?

3 A Yes. It -- it looks like it was the day of the national
4 police.

5 Q Okay. Thank you.

6 MR. MIEDEL: Could we also put up Defense Exhibit H.

7 Q Now, Ambassador, yesterday you testified that sometimes
8 delegations would come to Mexico and Mr. Garcia Luna would
9 take them to demonstrate training exercises or things like
10 that, right? Do you remember that?

11 A I do.

12 Q Okay. And this photograph in front of you, is that a
13 photograph of you and Mr. Garcia Luna and other dignitaries?

14 A Yes, it is. It's U.S. and Mexican dignitaries.

15 Q Okay. And is that in front of a federal police
16 helicopter?

17 A It is in front of a federal police helicopter that I
18 believe we delivered to the federal police.

19 Q And is that a fair and accurate depiction of these
20 events?

21 A Yes, it is.

22 MR. MIEDEL: Your Honor, I move Defense Exhibit H
23 into evidence.

24 MS. KOMATIREDDY: No objection.

25 THE COURT: Received.

WAYNE - CROSS - MR. MIEDEL

1208

1 (Defense Exhibit H, was received in evidence.)

2 Q Ambassador, could you just -- is it fair to say that
3 Mr. Garcia Luna is the person directly in the center of this
4 group?

5 A Yes, he is.

6 Q And you are the person standing directly to his right?

7 A Correct.

8 MR. MIEDEL: Okay. Thank you. You can take those
9 down.

10 Q Now, you testified that members of congress would at
11 times come to visit Mexico, correct?

12 A Correct.

13 Q And there were also members of the executive -- American
14 executive branch, correct?

15 A Correct.

16 Q Such as senior members of the Obama Administration?

17 A Correct.

18 Q And Mr. Garcia Luna would do presentations for these
19 folks who came to visit, right?

20 A Correct.

21 Q And you were present for these?

22 A Yes.

23 Q And Mr. Garcia Luna also, to your knowledge, would meet
24 with senior members of the Central Intelligence Agency, the
25 CIA, correct?

WAYNE - CROSS - MR. MIEDEL

1209

1 A That's my understanding.

2 Q And the DEA?

3 A Yes.

4 Q The FBI?

5 A I think, yes.

6 Q Okay. Now, you said that you had met Mr. Garcia Luna
7 several times in Mexico, right?

8 I don't mean to put you on the spot, but do you
9 remember meeting Mr. Garcia Luna also in Washington, D.C. on
10 September 18th, 2012.

11 A No, I don't. I was in Mexico.

12 Q Well, do you recall that there was --

13 A I think I met with him in September -- oh. 2012. Wait,
14 sorry. Let me think. I don't recall.

15 Q Let me see if this refreshes your recollection.

16 There was a very high-level meeting in Washington,
17 D.C. about the Merida Initiative, which included high-level
18 attendees on the American side, such as Secretary of State
19 Hillary Clinton, Attorney General Holder.

20 Do you remember that.

21 MS. KOMATIREDDY: Your Honor, objection.

22 THE COURT: Yes, it seems to me we're quite a bit
23 beyond the scope.

24 Q You testified about meeting Mr. Garcia Luna. I just
25 wanted to expand the fact that that also took place in

WAYNE - CROSS - MR. MIEDEL

1210

1 Washington, D.C.

2 THE COURT: Okay. I will allow it.

3 A It's possible. I don't remember it though. I'd have to
4 go back and check my records.

5 Q Okay. No problem.

6 But it's true that even though you were stationed in
7 Mexico as the ambassador, there were times when you would go
8 back to Washington, D.C. for certain meetings, correct.

9 A That is correct.

10 Q And -- all right. I'll leave it at that.

11 Now, Ambassador, you were frequently briefed by law
12 enforcement about the narcotics situation in Mexico, correct.

13 A Correct.

14 Q And you had, I think what you've said before, a law
15 enforcement team at the embassy?

16 A Correct.

17 Q What did that consist of?

18 A The team following law enforcement included DEA and FBI
19 and the Department of Justice. It -- if we include the
20 Merida Initiative, it also included the state department
21 section of INL, International Narcotics and Law Enforcement,
22 because they were providing and funding most of the
23 assistance. It would include members of the defense attache's
24 office also.

25 Q And were all these people that you just mentioned

WAYNE - CROSS - MR. MIEDEL

1211

1 stationed at the embassy or would they come and go?

2 A There were -- there were members of all of those elements
3 at the -- at the embassy, and then visitors would come and go
4 on a regular basis.

5 Q Were you also briefed by members of the DEA who were
6 stationed at Mexico but not at the embassy? Am I getting that
7 wrong?

8 A Yeah, my recollection is that most of my direct briefings
9 were from people at the embassy, but it could well be that
10 people came in from consulates and other places at times to
11 join in those briefings. But my regular dialogue was with
12 people based at the embassy.

13 Q And the DEA had a significant presence in Mexico,
14 correct?

15 A They did.

16 Q And those agents that were part of the DEA that were
17 stationed in Mexico, were those all stationed at the embassy
18 or were there separate offices elsewhere around the country?

19 A I believe there were others that were in other parts of
20 the country, but I don't remember the details, to be very --
21 to be very honest with you.

22 Q That's okay.

23 But you -- the law enforcement personnel that
24 briefed you, they themselves received briefings from outside
25 of the embassy, correct.

WAYNE - CROSS - MR. MIEDEL

1212

1 MS. KOMATIREDDY: Objection.

2 THE COURT: I'll allow it.

3 If you know.

4 Q If you know, Ambassador?

5 A Oh. The law -- the law enforcement agencies in -- at the
6 embassy were in regular communication with all of the members
7 of their bureau or agencies, wherever they might be in the
8 country. And also in regular dialogue with those back in the
9 United States, including along the border.

10 Q Okay. And Ambassador, were you aware that the DEA
11 maintained confidential sources within the cartels?

12 MS. KOMATIREDDY: Objection.

13 THE COURT: Sustained.

14 Q You're aware that the DEA worked closely with the Mexican
15 federal police, right?

16 A Yes.

17 Q And also with other law enforcement branches in Mexico,
18 such as the Army, Navy, right?

19 A Yes.

20 Q And you -- it's fair to say that, as the ambassador in
21 Mexico, you were briefed about significant events that
22 occurred in Mexico on the law enforcement area, right?

23 MS. KOMATIREDDY: Objection.

24 THE COURT: Do you need a sidebar? I'm not seeing
25 it.

WAYNE - CROSS - MR. MIEDEL

1213

1 MR. MIEDEL: Me?

2 THE COURT: Yes.

3 MR. MIEDEL: Sure.

4 THE COURT: Don't say sure. I mean, I'm sustaining
5 the objection. Do you want to address it further?

6 MR. MIEDEL: Yes, I'll take a sidebar.

7 THE COURT: Okay.

SIDEBAR CONFERENCE

1214

1 (Sidebar conference held on the record in the
2 presence of the Court and counsel, out of the hearing of the
3 jury.)

4 THE COURT: First state the objection.

5 MS. KOMATIREDDY: Objection as to scope and
6 relevance. And I believe it also calls for hearsay,
7 Your Honor.

8 MR. MIEDEL: Well, the Ambassador has told the
9 government that he was briefed by law enforcement about law
10 enforcement actions and that he never received any information
11 that Mr. Garcia Luna was corrupt in any other way connected to
12 cartels and he took certain actions based on that and that's
13 sort of what I'm building up to.

14 THE COURT: Okay. I mean, I do not think it is a
15 hearsay problem. It might or might not be beyond the scope,
16 but what are we going to do, call him back during the defense
17 case?

18 MS. KOMATIREDDY: Not that, Your Honor. But there's
19 also a 403 problem in eliciting that. It suggests that
20 without actually talking to the DEA agent that was involved
21 is -- it is an attempt to elicit from the Ambassador the views
22 or opinions or knowledge of everyone who briefed him.

23 THE COURT: No, I really do not think so. I think,
24 you know, this defense that the defendant has raised in other
25 context, it really -- it cuts both ways. I mean, it is the

SIDEBAR CONFERENCE

1215

1 government's whole case that the defendant was deceiving
2 everybody, right? So naturally this defendant would not have
3 heard anything. I am not sure how probative it is that he has
4 not heard anything, but I think it is of at least arguable
5 relevance and I do not see a 403 problem by narrowly saying it
6 did not get up to him, right?

7 MR. MIEDEL: He's the ambassador of Mexico;
8 something like that would obviously get up to him.

9 THE COURT: It is an argument, I think an argument.
10 I will allow it.

WAYNE - CROSS - MR. MIEDEL

1216

1 (In open court.)

2 Q Ambassador, is it fair to say that you were -- and you
3 expected to be briefed about significant events that occurred
4 in law enforcement in Mexico?

5 A Correct.

6 Q And it's also fair to say that no one from law
7 enforcement during the year that you overlapped with
8 Mr. Garcia Luna ever told you that he was corrupt?

9 A Correct.

10 Q Or that he took bribes from drug cartels, right?

11 A Correct.

12 Q Because if you had received such information, that's
13 something that you would have alerted your superiors in
14 Washington about, right?

15 MS. KOMATIREDDY: Objection.

16 THE COURT: I will allow it.

17 Q Ambassador?

18 A If there were specific credible evidence that bribes had
19 been received, yes, I and everybody would have alerted
20 Washington.

21 Q And you wouldn't have invited delegations to Mexico to
22 meet with him and/or share sensitive information with him,
23 right?

24 A We continued to treat Mr. Garcia Luna and other members
25 of the Mexican security team as important partners in this

WAYNE - CROSS - MR. MIEDEL

1217

1 overall effort to strengthen public security across both
2 countries.

3 Q Right.

4 And if you had received intelligence or information
5 that Mr. Garcia Luna was receiving bribes, you wouldn't have
6 done that, would you.

7 A Um, I would have to put credible and verified
8 intelligence and information, because Mexico is an environment
9 with a lot of information and a lot of allegations flowing
10 around about many people.

11 Q Sure.

12 And at some meetings that you had with
13 Mr. Garcia Luna, he briefed you on what was happening in
14 Mexico in the law enforcement world, right.

15 A That's correct.

16 Q And then you relied on your own law enforcement staff to
17 inform you about whether what he had told you was true, right?

18 A Correct.

19 Q And you never recall getting a briefing that what he told
20 you was incorrect, right?

21 A I did get briefings that presented a broader picture of
22 what was going on in the country.

23 Q I understand. And I'll get to that in a minute.

24 But specifically, when he briefed you about
25 something, you would then have your law enforcement staff sort

WAYNE - CROSS - MR. MIEDEL

1218

1 of check it out, right.

2 A Correct.

3 Q And you never received any briefing from your law
4 enforcement staff that suggested that what he was telling you
5 was false, right?

6 A That is correct.

7 Q Now, Ambassador, based on these briefings, you did get
8 the impression that there was some difference in how law
9 enforcement went after certain cartels versus others, right?

10 A Correct.

11 Q And that there might be an emphasis by law enforcement
12 for some cartels versus others in terms of its pursuit of
13 them, right?

14 A Correct.

15 Q And that was -- the information that you had, that was
16 the federal police, and that was also the military and the
17 other branches of law enforcement, right?

18 A That is correct.

19 Q And, in fact, you -- you -- you understood that the
20 approach of the DEA was that they would simply work with
21 whoever was going after the cartel at the time that the DEA
22 was interested in, right?

23 MS. KOMATIREDDY: Objection.

24 THE COURT: Sustained.

25 Q Now, you understand as an ambassador that there are

WAYNE - CROSS - MR. MIEDEL

1219

1 certain priorities that law enforcement engages in, correct?

2 A Yes.

3 Q There aren't always enough resources to do everything at
4 once, right?

5 A Correct.

6 Q So in terms of prioritizing certain targets, that may
7 depend on a number of factors, right?

8 MS. KOMATIREDDY: Objection, Your Honor.

9 THE COURT: Sustained.

10 Q But well, let me ask you this.

11 It's fair to say that even though you received
12 information that there were differences in emphasis of what
13 cartels' law enforcement was going after, none of that made
14 you believe that you were dealing with a corrupt security
15 minister, right.

16 MS. KOMATIREDDY: Objection.

17 THE COURT: It's kind of asked and answered. I will
18 allow it one more time.

19 A Okay, so would you like to repeat that, please.

20 Q Okay. Even though you received information that Mexican
21 law enforcement was prioritizing different targets at
22 different times, right, that did not lead you to believe that
23 Mr. Garcia Luna was corrupt?

24 MS. KOMATIREDDY: Objection, Your Honor.

25 THE COURT: I am allowing that one question.

WAYNE - CROSS - MR. MIEDEL

1220

1 A Um, that is correct. But we did believe that different
2 parts of different agencies of the Mexican government were, in
3 fact, penetrated.

4 Q Truth is, Ambassador, though, that you considered or
5 found Mr. Garcia Luna to be a strong partner in the war on
6 drugs, right?

7 A Correct.

8 MS. KOMATIREDDY: Objection, Your Honor.

9 THE COURT: Overruled.

10 Q He was very interested, in fact, in the law enforcement
11 aspects of it, right, in your recollection?

12 A Yes.

13 Q He had -- he presented a plan to you about -- that he was
14 trying to get his own government to adopt, right?

15 A He had -- yes, he had a number of ideas that he was
16 putting forward for his government to adopt.

17 Q And that included molding the Mexican federal police sort
18 of in the model of the American FBI, right?

19 A That was one part of that plan, yes.

20 Q He wanted them to be strong and independent, right?

21 A He wanted them to be technically capable and
22 professional, in his words.

23 Q Okay. Now, Mr. Garcia Luna was a cabinet minister,
24 right?

25 A Correct.

WAYNE - CROSS - MR. MIEDEL

1221

1 Q He was in the presidential cabinet?

2 A Correct.

3 Q And he had a lot of people that answered to him, right,
4 to your knowledge?

5 A Yes, correct.

6 Q He had subordinates who themselves had subordinates,
7 right?

8 A Mm-hm. Yes.

9 Q Now, in your experience, it's true that cabinet-level
10 secretaries delegate a lot, right?

11 A Yes.

12 Q You yourself, as an ambassador, would delegate a lot?

13 A Yes. I add to that several layers also.

14 Q Sure.

15 So, for example, as the ambassador, you're not
16 personally hiring the guards in front of the embassy, right.

17 A That's correct.

18 Q That's done by your staff?

19 A Yes.

20 Q And you don't personally oversee every expenditure that
21 the embassy has for, whatever, office products, right?

22 MS. KOMATIREDDY: Objection.

23 THE COURT: Just because it is too much.

24 MR. MIEDEL: Sustained.

25 THE COURT: You have made the point. He's

WAYNE - CROSS - MR. MIEDEL

1222

1 acknowledged that he delegates, and that there a bunch to whom
2 he delegates.

3 MR. MIEDEL: That's fine.

4 THE COURT: Let us move on.

5 Q And if some members of your embassy staff engage in some
6 kind of wrongdoing, like stealing office supplies, that's not
7 something -- that doesn't mean that you authorized it, right?

8 A Correct.

9 MS. KOMATIREDDY: Objection, Judge.

10 Q Or that you endorsed it?

11 THE COURT: Sustained. Sustained.

12 The jury will disregard the answer.

13 THE WITNESS: Sorry.

14 THE COURT: Not your fault.

15 THE WITNESS: I'll go slow, more slow.

16 Q Ambassador, so you testified about this yesterday, but in
17 2012 the President Calderon Administration ended, right?

18 A Yes.

19 Q And a new president was elected?

20 A Correct.

21 Q And that new president was President Nieto ?

22 A Yes. Enrique Pena Nieto.

23 Q And the Nieto Administration was a different party than
24 the Calderon Administration, right?

25 A Correct.

WAYNE - CROSS - MR. MIEDEL

1223

1 Q And when the Calderon Administration ended, his cabinet
2 left with him, they left government, right?

3 A Correct.

4 Q And that included Mr. Garcia Luna?

5 A Correct.

6 Q And, in fact, you testified I think that you ran into him
7 shortly after the election at some parties or something,
8 right?

9 A Yes.

10 Q As a -- when he was a private citizen?

11 A Correct.

12 Q And you are aware that he then shortly thereafter moved
13 to the United States, right?

14 A Yes.

15 Q Now, yesterday you testified about that part or a
16 significant part of being an ambassador is meetings, social
17 interactions, correct?

18 A That's correct.

19 Q So as a diplomat, you have gone to a lot of social
20 gatherings; is that true?

21 A I think that's true.

22 Q Because part of your job is to build relationships with
23 your counterparts in the countries that you're in, right?

24 A Yes. It's a very important part.

25 Q So you meet a lot of people?

WAYNE - CROSS - MR. MIEDEL

1224

1 A I meet many, many people.

2 Q And in your career, you've been invited, I assume, to the
3 homes of a lot of foreign ministers and secretaries?

4 A Yes.

5 Q For parties, dinner parties, that sort of thing, right?

6 A Yes.

7 Q And Ambassador, is it common that the homes of foreign
8 ministers that you've been in are generally reasonably nice
9 homes because they're used for throwing parties?

10 A Yes.

11 MS. KOMATIREDDY: Objection.

12 THE WITNESS: Oh.

13 THE COURT: I will allow it.

14 A In general. But in some countries, they provide official
15 residences for their ministers.

16 Q But if their ministers have their own, residences,
17 then -- and you've been in those residences, right?

18 A Yes.

19 Q And in your experience, they've generally been reasonably
20 nice, right?

21 A Um, I would say they're nicer than normal middle class
22 residences, yes.

23 Q Okay. You testified about one time that you attended a
24 dinner party at Mr. Garcia Luna's house?

25 A Correct.

WAYNE - CROSS - MR. MIEDEL

1225

1 Q You said that the house sort of abutted other houses, it
2 didn't have a lot of land around it, right?

3 A Yes.

4 Q Like, more like a townhouse?

5 A That's my recollection, yes.

6 Q Okay. And you said that it was not particularly
7 extravagant or, I think you said, ostentatious, right?

8 A Correct.

9 Q But you do remember the fish tank, right?

10 A I do remember the fish tank.

11 Q Did you know that Mr. Garcia Luna was an engineer in his
12 prior life?

13 MS. KOMATIREDDY: Objection, Your Honor.

14 THE COURT: Overruled.

15 A Um, I -- now that you mention that, it sounds familiar,
16 but it was not at the forefront of my memory.

17 Q That's fine.

18 And you said that you noticed a fish tank, right, in
19 the house.

20 A Yes.

21 Q He didn't regale you with stories of how he built that
22 fish tank himself?

23 A I don't remember that.

24 Q Okay. But it's fair to say that the house,
25 Mr. Garcia Luna's house that you visited for this dinner

1 party, was similar to or consistent with other homes of other
2 foreign ministers that you've visited, right?

3 A I'm being patient now.

4 Yes.

5 Q I'm sorry, what?

6 A "Yes" is the answer.

7 THE COURT: He said he was being patient. He's
8 trying to slow down so if the government has an objection,
9 they can get it in before --

10 Q Well, there was no objection, so the answer is "yes,"
11 right?

12 A Yes.

13 Q Okay. It didn't stand out to you as particularly flashy
14 or luxurious or anything like that, right?

15 A No.

16 Q And Mr. Garcia Luna didn't stand out that way to you
17 either, right, he wasn't wearing like a ton of Rolex watches
18 or diamonds or anything like that, did he?

19 A No.

20 MR. MIEDEL: Thank you, Ambassador. I have no
21 further questions.

22 THE COURT: Redirect?

1 Q Ambassador, I just have a few questions for you.

2 First of all, you were asked about Mr. Garcia Luna's
3 home that you visited.

4 Where was the home that you visited.

5 A It was in Mexico City. But to be very honest, I was
6 reading on the way to the dinner. And as an ambassador you
7 get driven places, and so you don't always watch where you're
8 going.

9 Q Did you go to any of Mr. Garcia Luna's other homes?

10 A Not that I recall.

11 Q Did you even know that he had other homes?

12 MR. MIEDEL: Objection.

13 THE COURT: Overruled.

14 THE WITNESS: Objection is overruled, so I should
15 answer.

16 A No, I was not aware that -- no, I was not aware that he
17 had other homes.

18 Q And defense counsel asked you if the house itself stood
19 out to you.

20 Did the fish tank stand out to you.

21 A The fish tank stood out to me. It was a very beautiful
22 fish tank and nicely -- it had a lot of beautiful fish in it,
23 nicely maintained, yes.

24 Q Did you make any comments to your wife afterwards?

25 A I did.

WAYNE - REDIRECT - MS. KOMATIREDDY

1228

1 MR. MIEDEL: Objection.

2 THE COURT: Sustained.

3 Q Did you see a fish tank like that in any other minister's
4 home?

5 A I do not recall seeing a fish tank like that in -- not
6 only in any other minister's home, I don't -- in any private
7 home. It was very beautiful.

8 Q If Mr. Garcia Luna lived in a mansion with a zoo with
9 hippopotamuses and white tigers and lions, would that have
10 raised suspicions in your mind?

11 A Yes.

12 Q If he had worn Rolexes every day and fancy suits and
13 Ferragamo shoes, would that have raised suspicions in your
14 mind?

15 A Yes.

16 Q You were asked questions about the resources and
17 priorities of law enforcement officers.

18 Just to be clear, Mr. Ambassador, you are not a law
19 enforcement officer, correct.

20 A Correct.

21 Q And you did not have an investigative function in Mexico
22 City, correct?

23 A Correct.

24 Q You were asked questions about whether Mr. Garcia Luna
25 was responsible for fighting the war against drug cartels in

WAYNE - REDIRECT - MS. KOMATIREDDY

1229

1 Mexico. I believe your answer -- you answered that there were
2 also other agencies.

3 Who were all of the individuals who played a role in
4 fighting the war in drugs cartels in Mexico.

5 A Well, we worked very closely with the head of the Army,
6 the head of the Navy, the Attorney General in the country, the
7 head of their version of the CIA, which was called CISEN. We
8 worked with the secretary of gobernacion, government, which
9 was more than -- it was -- had the expansive internal --
10 internal affairs in the country. We don't really have an
11 equivalent in the United States. And we would at times work
12 with the customs agency and the other agencies dealing with
13 border affairs.

14 Q Did all those agencies work together?

15 A At -- at times.

16 Q And what about other times?

17 A And other times there was a lot of in-flight --
18 bureaucratic in-flight fighting between them.

19 Q You were asked on cross-examination about whether you
20 were briefed on how these agencies operated. And you answered
21 that you got a briefing on a broader picture.

22 What was the broader picture.

23 A The broader picture was that we were very much trying to
24 encourage Mexico to have a more unified and coordinated
25 approach to this effort they were undertaking against

WAYNE - REDIRECT - MS. KOMATIREDDY

1230

1 organized crime, and that there was rivalry in fighting and
2 mistrust that existed between various agencies in Mexico.

3 Q Did you have the impression that the federal police were
4 not going after certain drug cartels?

5 A My team's assessment was that there were -- that certain
6 of these different institutions were not effective against
7 certain cartels. And so they had developed strategies of
8 working more closely with different agencies to go after
9 certain cartels than - - than others.

10 Q Which cartel is the federal police not effective at?

11 A I was briefed that they were not the preferred partner to
12 work against Beltran-Leyva and the Sinaloa Cartels.

13 Q Finally, you were asked about the information that you
14 had when you were ambassador in 2011 and 2012.

15 Did you have access to the witness statements of
16 Sergio Villarreal Barragan.

17 A No.

18 Q Did you have access to the witness statement of

6 Q Did you have access to the witness statements of Tirso
7 Martinez?

8 A No.

9 Q Did you have access to the witness statements of Harold
10 Poveda-Ortega?

11 A No.

12 Q Did you have access to the witness statements of
13 Israel Avila?

14 A No.

15 Q Did you have access to the witness statements of
16 Hector Villarreal Fernandez?

17 MR. MIEDEL: Objection.

18 THE COURT: It is enough, please.

19 Q And Mr. Ambassador, you're aware, right, that it's the
20 U.S. Embassy in Mexico that initiated this investigation?

21 A I might have seen that in some media reporting.

22 MR. MIEDEL: Objection.

23 THE COURT: Sustained.

24 MS. KOMATIREDDY: No further questions.

25 THE COURT: All right. You may step down.

8 Q Did Chilo ask for anything?

9 A Well, not necessarily, but it was implicit there what we
10 should do, which is not arrest them and let them do what they
11 wanted.

12 Q Why was it implicit?

13 A They had just killed three policemen.

14 Q Did you enter into this implicit agreement with Arturo's
15 representative in Nayarit?

16 A It was automatically that we went to the other side of
17 the Beltran Leyvas.

18 Q You said it was implicit. Why didn't you write it down?

19 A No, agreements with drug traffickers are not put in
20 writing.

21 Q What did do you after that meeting?

22 A I went and reported this to the mayor, Roberto Sandoval
23 Castaneda.

24 Q What happened next?

25 A I realized that there was a meeting between Roberto at

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1247

1 his sister's house with Frijol and Chilo.

2 Q What happened at that meeting?

3 A I was not there, but after it, Hugo Sandoval -- Hugo
4 Sandoval, who was the nephew, his nephew, said that an
5 agreement had been reached with the Beltran Leyvas.

6 Q Now, in your conversations with Chilo in the Suburban,
7 did Chilo offer you any money apart from the campaign money
8 that he had pledged for Sandoval?

9 A No.

10 Q Did he eventually give you money over time?

11 A Yes.

12 Q Approximately how many times?

13 A Three or four times.

14 Q Approximately how much?

15 A \$40,000.

16 Q What did do you with the money?

17 A It was spent on daily activities; it was simply spent.

18 Q Under the agreement that you reached, how did you
19 coordinate with Arturo's people to ensure that you did not
20 interfere with their activities?

21 A Through a telephone.

22 Q Did you communicate with Chilo directly?

23 A No.

24 Q How did you communicate?

25 A Through a commander.

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1248

1 Q Which commander?

2 A Sometimes it was through the transit commander, and it
3 was with Commander Valdivia.

4 Q Was Commander Valdivia your right-hand man?

5 A He was part of my security detail.

6 Q Why did you have Commander Valdivia handle the
7 communication instead of communicating directly with Chilo
8 yourself?

9 A Because he was dedicated to being there on call while I
10 was attending to other of the activities in the secretariat.

11 Q Under this agreement of protection that you reached with
12 Arturo's people, were there times when you let Arturo's people
13 go?

14 A Yes.

15 Q Who was the highest level person you let go in Arturo's
16 organization?

17 A Well, there was a hit man who was known as El Borrás, and
18 he was directly one of Chilo's people in the Arturo Beltrán
19 Leyva organization.

20 Q What happened with El Borrás?

21 A El Borrás had an accident, so he could have been
22 arrested, and there was a public scandal, so he was taken over
23 to the office for the secretary of public security in Tepic.

24 Q What kind of accident did he have?

25 A Vehicle, a car vehicle, car accident.

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1249

1 Q So after El Borrás got into a car accident, you testified
2 that you took him back to your office?

3 A He was taken to the transit office, yes.

4 Q Why take him back to the office? Why not just let him go
5 right there?

6 A Because there was a big scandal, more people had arrived
7 there, so it was easier to fix it in an administrative matter
8 rather than taking him to the state police.

9 Q I'm going to turn your attention to 2009, late 2009.

10 Do you remember when Arturo died?

11 A It was approximately December 2009.

12 Q How did you react?

13 A Well, I thought the war was going to be over.

14 Q Was it over?

15 A No. It became worse.

16 Q Can you describe how the violence looked in Tepic at this
17 time?

18 A Well, it turned into the fact that there were people hung
19 from bridges. There were people who showed up skinned. And
20 there was a particular phenomenon of the pozoles, the pozoles
21 in Tepic.

22 Q What is the pozoles?

23 A They were these big tins where they would put dismembered
24 parts like legs, heads, legs, and they would add some corn
25 grains to it and call it pozoles, or corn stew.

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1250

1 Q After Arturo died, did you still have an agreement with
2 the Beltrans?

3 A Yes.

4 Q How did you know them?

5 A Because Chilo called and told this to Valdivia, and he
6 said precisely that, that nothing was going to change because
7 now Hector Beltran Leyva was going to take over control of the
8 cartel.

9 Q Under that continued agreement, did you arrest any of the
10 individuals associated with the Beltran faction of the Sinaloa
11 cartel?

12 A No.

13 Q Did you seize any of their drugs?

14 A No.

15 Q Did there come a point when your contact person for the
16 Beltrans changed?

17 A Yes.

18 Q Approximately when was that?

19 A The second trimester of 2010, towards the end around May.

20 Q Who did it change to?

21 A To the Haches.

22 Q The Haches?

23 A That's correct.

24 Q Who was H?

25 A Hector. It was Hector Beltran Leyva.

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1251

1 Q Was there an H1?

2 A Yes.

3 Q Who was H1?

4 A Chaugin, his last name was Lizarraga.

5 Q Was there an H2?

6 A Yes. His name was Francisco Sanchez Patron -- Patron
7 Sanchez.

8 Q What was H2's role at that time?

9 A He was an assassin. He represented the interests of the
10 Beltrans in Nayarit.

11 Q Was he your new point of contact?

12 A Yes.

13 Q Did you ever meet someone higher up than H2?

14 A No.

15 Q Did you ever meet Hector Beltran?

16 A No.

17 Q Did you ever meet Arturo Beltran?

18 A No.

19 Q What was your relationship with H2 like?

20 A It was to not arrest him, to not bother him in the
21 fighting activities that he was -- they were conducting over
22 there in Tepic.

23 Q Can you give us an example of how you would carry out
24 your part of the agreement?

25 A Yes. One time he asked me through Valvivia if we could

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1252

1 go pick him up in a place and bring him with us, and we did.

2 We went and picked him up and brought him.

3 Q When you say "him," who are you referring to?

4 A H2.

5 Q Where was he that you went and picked him up?

6 THE INTERPRETER: Interpreter needs to clarify.

7 THE COURT: Yes.

8 THE WITNESS: He was on a dirt road out there almost
9 in the mountains. We picked him up and took him to Tepic.

10 BY MS. KOMATIREDDY:

11 Q When you picked him up and took him back to the city, did
12 you put him in handcuffs?

13 A No.

14 Q Were there times when you instructed other officers in
15 your police force to assist H2 and his people?

16 A Yes, to the commanders, the shift commanders.

17 Q What would you tell them when you heard that there was an
18 altercation over the radio?

19 A To wait for me or to hold off for a moment, to not rush
20 to -- to not rush to go over to where the altercation was.

21 Q Why did you give those instructions?

22 A It was part of the agreement.

23 Q Were you stalling?

24 A Yes.

25 Q What did your stalling enable H2 and his people to do?

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1253

1 A Escape.

2 Q In early 2011, what was your position at that time.

3 A The beginning of 2011, I was already secretary of public
4 security for the municipality of Tepic.

5 Q Are there any significant events that occurred around
6 that time?

7 A Yes.

8 Q What happened?

9 A I had two municipal police officers kidnapped 50 meters
10 from the state checkpoint.

11 Q To be clear, who kidnapped the police officers?

12 A At that time we didn't know who it was until we found out
13 later.

14 Q The two of your police officers were kidnapped?

15 A Yes, two of the Tepic municipal police officers.

16 Q How did you learn of the kidnapping?

17 A I received a call from the office about the abduction of
18 the -- about the fact that the officers had gone missing, and
19 we put the alert out for them.

20 Q What happened after you put the alert out?

21 A After that, all the personnel went off in searching for
22 those police officers in that area. And news was given too at
23 that time Roberto Sandoval had moved on to start his campaign
24 to be governor. There was a new mayor.

25 Q When you said that you put the alert out, did you alert

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1254

1 any other police agencies or government agencies?

2 A Yes, yes. The security group for the state of Nayarit.

1 DIRECT EXAMINATION (Continuing)

2 BY MS. KOMATIREDDY:

3 Q Who was in the security group?

4 A The security group is made up of the Army, the Marines,
5 the federal police, the state police and municipal police.

6 Q Did any of those agencies come to help you?

7 A The Army.

8 Q Did the federal police come?

9 A No.

10 Q Did you or your colleagues talk to H-2 about the
11 kidnapped policemen?

12 A Yes, Valdivia spoke with H-2 to see if he knew anything
13 at the time, and he said that it had not been them.

14 Q What did you understand that to mean?

15 A That the Beltrans had not kidnapped them, but it was
16 the -- the Chapos.

17 Q What did you do next?

18 THE INTERPRETER: Interpreter needs to clarify,
19 Your Honor.

20 THE COURT: Yes.

21 Let me ask the interpreter. You need not request
22 permission. If you need clarification, just say "interpreter
23 clarifying."

24 THE INTERPRETER: Thank you, Your Honor .

25 A I informed the mayor and I was going to an event. I had

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1256

1 been called to a security event by Governor de Manuel
2 Gonzalez.

3 THE COURT: Everyone okay?

4 Q Did you go to meet the governor?

5 THE INTERPRETER: Interpreter clarification.

6 A Yes. I went to the security event that was held at the
7 guard station at Lagos del Country.

8 Q Did you actually meet the governor himself?

9 A Yes. He was my boss. He was my direct boss as governor.
10 And as I was the secretary of public security, he -- and he
11 was the governor, he was my direct boss.

12 Q Where was your meeting with the governor?

13 A Well, when the governor ended the event, his security
14 detail asked me to go to his SUV. It was a Tahoe, a white
15 Tahoe that had gray. And I was to go there and wait for the
16 governor, which I did.

17 Q Did you and the governor meet inside the white Tahoe?

18 A Yes. And I went in. And that's when he spoke to me
19 directly, and he asked me if I knew why the things were
20 happening to me, and if I knew who I needed to talk to, to
21 rescue the police officers.

22 Q What did you say?

23 A I told him, yes, that I did know who I needed to speak to
24 because it wasn't the Beltran-Leyvas who had done that.

25 And then he told me that he had just gotten back

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1257

1 from a very important meeting in Mexico City with President
2 Calderon and with the secretary of public security, Genaro
3 Luna. And he told me that the line --

4 THE COURT: Objection.

5 A -- was Chapo, that the line --

6 THE COURT: Hold on. Hold on. Wait.

7 Overruled.

8 A -- that the line was Chapo. And I was surprised and a
9 bit nervous, but I had to go rescue the police officers and so
10 I left.

11 Q When he said "the line was Chapo," what did you
12 understand that to mean?

13 A That we had to protect Chapo's people and not Beltran's,
14 the people we had been protecting.

15 Q When you were in that white Tahoe with the governor and
16 he told you that, did you ask any questions?

17 A No. No, you don't ask for any explanations from the
18 governor.

19 Q What did you do after that conversation?

20 A I went back to the office and I looked for a contact,
21 somebody to speak with who represented the interests of
22 Guzman, of Chapo's, and I found it through a transit commander
23 who had been there for many years.

24 Q What was the name of Chapo's contact person in charge of
25 at Tepic and Nayarit?

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1258

1 THE INTERPRETER: Interpreter clarification.

2 A It was 02 Albert. But the person who was in Tepic who
3 had carried out the kidnapping was known as Pelochó.

4 Q Did you subsequently speak with Pelochó ?

5 A Yes.

6 Q How long after the conversation with the governor did you
7 get into contact with Pelochó?

8 A I think it was about three hours, three or four hours.

9 Q And how did you speak with him?

10 A The transit commander brought me a Nextel, and that's how
11 I communicated with Pelochó.

12 Q What happened in your conversation with Pelochó?

13 A The conversation with Pelochó, I asked him why, why he
14 was doing that, that I never disrespected him, asked him why
15 he was doing that. And I asked him to please bring back the
16 officers alive.

17 Q What did he say?

18 A And he wanted me to commit myself to be with them.

19 Q What did you understand that to mean?

20 A To not arrest them, to not report them, and to not get
21 involved in their activities in their direct war with the
22 Beltran-Leyva group.

23 Q What did you do?

24 A I agreed with him. I said: Yes, there will be no
25 problem. Just bring me back the police officers alive.

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1259

1 Q After the conversation ended, what happened?

2 A The next day the police officers appeared alive.

3 Q After that event, did you continue carrying out your
4 agreement with the Beltran Faction of the Sinaloa Cartel?

5 A Yes.

6 Q Why?

7 A Because at that time the mayor had an agreement and
8 Roberto Sandoval had an agreement with the Beltran Leyvas.

9 Q Under that agreement that you described earlier, the
10 Beltrons were supposed to pay for the gubernatorial campaign
11 of Roberto Sandoval.

12 Did they pay.

13 A Yes.

14 Q And in July of 2011, what happened?

15 THE INTERPRETER: Interpreter clarification.

16 A In July of 2011, Roberto Sandoval Castaneda wins the
17 governorship of the state of Nayarit.

18 Q When did he take office?

19 A In September, September 2011.

20 Q What office did you take at that time?

21 A Assistant Attorney General for the state of Nayarit.

22 Q Did you have any other designations?

23 A Yes. I was executive secretary for public security for
24 the state.

25 Q And what was your responsibility as executive secretary?

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1260

1 A I was to manage the federal monies and resources and
2 distribute them for subsemon and for -- interpreter
3 correction -- and being in charge of security for the state of
4 Nayarit.

5 Q What is subsemon?

6 A It is a federal subsidy given to the municipalities for
7 security.

8 Q And as Assistant Attorney General, what were your
9 responsibilities in that role?

10 A It was the operational side, the operational side of the
11 Attorney General's office there in the state of Nayarit.

12 Q Was it a law enforcement position?

13 A Yes.

14 Q After you took office as Assistant Attorney General, what
15 happened?

16 THE INTERPRETER: Interpreter correction --
17 interpreter clarification, rather.

18 A The attorneys for the Sinaloa Cartel who represented
19 Chapo and Mayo came to me, they approached me, it was the
20 attorney Alcala and Chaparro. And they said that they
21 represented El Chapo. And they wanted to buy the state of
22 Nayarit, they wanted to buy the -- the plaza, they called the
23 plaza, the state.

24 Q How long after you took office did these attorneys for
25 the Sinaloa Cartel come to you?

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1261

1 A About a month. A month afterwards.

2 Q Where did you meet with them?

3 A Right there at the Attorney General's office.

4 Q You said that they wanted to buy the state or buy the
5 plaza.

6 What does that mean.

7 A Buying a plaza means that you're going to be working for
8 them, that you're going to do what they ask, you're going to
9 obey them, and any crimes that they commit, you're going to
10 cover them up.

11 Q Did they offer you money for this?

12 A Yes. They offered me \$10 million.

13 Q Did they have the money with them?

14 A No. They only presented the offer. They said that if it
15 was accepted, they would do what was needed to go come
16 through.

17 Q How did you respond?

18 A I heard them out, but I kind of set them to the side
19 because we were not in good terms. And besides that, there
20 was already a commitment with the Beltran-Leyvas.

21 Q After you brushed off Chapo's lawyers, what happened to
22 you?

23 A Approximately in December, mid-December 2011 , there was
24 an attack on one of my safe houses and on my person.

25 Q Can you describe for us what happened?

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1262

1 A On that day around 1:00 or 2:00 a.m., we had decided that
2 we were going to sleep and going -- we had determined that we
3 were going to go to sleep in that house, a house in Pedregal.
4 The security detail went ahead so they could turn on the
5 lights and set up the residence. And that's when we realized
6 there was some vehicles heading there, coming in. It was
7 approximately 11 vehicles.

8 And about one to two minutes later, you could start
9 hearing the gun shots and the attack. And there was a
10 confrontation between the people that were already at the
11 house, the security detail, and the vehicles.

12 Q What did you do during this fire fight?

13 A I was on the -- that way and there was an avenue that was
14 going in one way -- a one- way avenue. And then we confirmed
15 that two units that were coming in front of us. I stopped, I
16 opened the door, shots were fired. We shot and received fire
17 as well. The vehicle cut to the left and left. And we went
18 on towards where we could still hear the confrontation.

19 Q You said the vehicle left.

20 What road did it take to leave.

21 A At that intersection, there was an adjacent avenue,
22 everything was dark over there. It was towards the hills.

23 Q What happened next?

24 A We arrived at the house and the vehicles were there,
25 shots were being fired. We had about 35 police officers there

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1263

1 that there were trying -- working to repel the criminals.

2 Q Did you repel the criminals?

3 A They left -- yes, they did leave, but they abandoned
4 their vehicles behind them. They left weapons, they left
5 grenades and vehicles behind. They were able to escape. They
6 were able to recover the bodies that were strewn around and
7 leave.

8 Q Did you have any information on who had attacked you?

9 A Yes. We did have a phone that we had found and we had
10 cloned the number. So we had heard some things, we knew that
11 something was going to happen. We didn't know the time, we
12 didn't know the way, we didn't know the place, but we knew
13 something was going to happen.

14 Q You knew something was going to happen, but you didn't
15 know the specifics.

16 Is that because the messages were coded.

17 A Yes. They speak in code or they make references to
18 things, but they're not specific.

19 Q And whose phone was it that you had cloned?

20 A Pelochos. He was the one who had kidnapped the police
21 officers.

22 Q The morning after the fire fight, what did you do?

23 A At that time we had closed off the entire neighborhood
24 and we were checking house by house. At that time, no one had
25 come to assist us. Only the Army had come.

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1264

1 Q You said at that time no one had come to assist you.

2 During the attack, did you send out a call for help.

3 A Yes. The protocol, as the protocol calls for in the
4 security group in Nayarit and like in every state, there's a
5 coordinating group that coordinates security. And then an
6 alert is sent to all the different agencies so they can come
7 assist.

8 Q Remind us, does that group include the federal police?

9 A Yes.

10 Q Did the federal police come to help?

11 A No.

12 Q Did you talk to anyone from the federal police after this
13 attack?

14 A Yes. The coordinator for the state of Nayarit, who at
15 that time was Jorge Anguiano Terriquez.

16 Q What did you speak with Mr. Terriquez about?

17 A I asked him if he had received the call for help. And he
18 said they had not been able to help because they did not have
19 enough personnel in the state of Nayarit .

20 Q Did he say anything else?

21 A No.

22 Q How many federal forces were stationed in the state of
23 Nayarit?

24 A I don't have official data, but extraoficially there are
25 about 120 officers in the state of Nayarit.

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1265

1 Q And that was at that time?

2 A Yes.

3 Q Did you encounter Mr. Terriquez again around this time
4 period?

5 A Yes. We had direct contact because we had that
6 coordinating group for all different forces.

7 Q And did any events occur?

8 A Well, what I have is that the governor asked for a
9 meeting after the attack, for a meeting in Mexico City, with
10 Mr. Garcia Luna.

11 Q Did you go to that meeting?

12 A Yes.

13 Q Who else went?

14 A Well, that meeting in Mexico City called by the governor,
15 what we went -- it was the governor; it was the nephew of the
16 governor, Hugo Sanchez Sandoval, who was also an ex-police
17 officer; the secretary of public security, General
18 Campos Huertas and myself.

19 Q And when you were referring to the secretary of public
20 security, General Campos Huertas , is that for the state?

21 A Yes, that's correct.

22 Q So when Governor Sandoval, his nephew, the state security
23 secretary, and you went to Mexico City, where in Mexico City
24 did you go for this meeting?

25 A We went to the general offices of the secretariat for

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1266

1 public security, federal.

2 Q What happened when you arrived?

3 A We were accompanied to the office, to Garcia Luna's
4 office. There's a small waiting room there. And we waited
5 there, but the only people who were allowed to go inside was
6 the governor and his nephew, Hugo Sanchez.

7 Q What did you do?

8 A We were offered a tour of what was known as the bunker.
9 It was a center created by the federal police. It was this
10 bunker, which was like a crisis room for security crises.

11 Q Who did you go on this tour of the bunker with?

12 A It was the general, myself, two assistants, and a man who
13 was a commander or a commissioner, I don't remember, but he
14 was Luis Cardenas Palomino.

15 Q Were you the senior person from Nayarit in that group?

16 A Yes, I was, because I was the assistant secretary -- the
17 Assistant Attorney General at that time, so I had the highest
18 rank.

19 Q Can you describe for us, what did this bunker look like?

20 A Well, there was an initial security room where we were
21 checked out. And then some meters further in, there was
22 another room where there was a large table in the middle with
23 about 20 or more chairs around it, if I remember correctly.

24 There were glass windows on the sides. At that time
25 they were darkened. But once we were in, that tinted -- that

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1267

1 tint was removed, and so we were able to see many monitors on
2 the walls.

3 Q Go ahead.

4 A Well, they started describing, like, what each monitor
5 contains, saying: This camera, it shows the exit from Mexico
6 City, this is a drone. They started to explain drones to us.

7 Q How long did that tour take?

8 A I don't think it lasted longer than 40 minutes,
9 30-something minutes.

10 Q How did you feel during the tour?

11 MR. MIEDEL: Objection.

12 THE COURT: Sustained.

13 Q What was your impression from the information they gave
14 you?

15 A That the federation had a great capacity for
16 investigating and for fighting crime.

17 Q Did you have anything like that in Nayarit?

18 A No, not that capacity; no.

19 Q During this tour, did you speak with anyone?

20 A Well, I was talking to some of the consultants. And at a
21 certain point, I stepped further away from the group looking
22 at some monitors. And at that time, Mr. Cardenas Palomino
23 came close to me and he spontaneously said to me that we were
24 doing things wrong in Nayarit, that we were on the wrong side,
25 and that we should be on El Chapo's side.

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1268

1 Q How did you respond?

2 A First of all, I was surprised. Secondly, I didn't know
3 what to say. And then I said: Understood.

4 Q What happened after the tour ended?

5 A We did not meet up again in the room. We just met up
6 where the governor and the nephew and the parking area, and
7 then we left.

8 Q Where did you go with the governor in the parking area?

9 A We left the federal secretariat of public security. And
10 on the road he told me that we were not going to get any
11 material, any human resources, any equipment or anything to
12 help out the police, the police in Tepic and Nayarit.

13 And I told him what I had been told. And he said:
14 Effectively, yeah, we are alone, this bastard isn't going to
15 help us out with anything.

16 Q And when he referred to -- apologies for the language --
17 "this bastard," who did you understand Governor Sandoval to
18 be referring to?

19 A The secretary of public security, Mr. Garcia Luna.

20 Q Back in Tepic, did there come a time when you became
21 alerted to a standoff?

22 A Yes. I had forgotten. I had been alerted to a --
23 interpreter correction: I've been alerted to an altercation
24 between the federal and the state police.

25 Q How did you become aware of this altercation?

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1269

1 A Through my chief of the security detail. He told me that
2 he had heard on the radio that the state police was asking for
3 support.

4 Q What did you do?

5 A I -- I made myself available to go to the area of the
6 event. And when I got there, it was at the Avenida del Valle
7 and Insurgentes. And there was a black armored suburban
8 there. And on the left side was the federal police. And on
9 the left -- I mean, the right side were the state police with
10 their rifles out pointing at each other.

11 Q So the state police and the federal police have their
12 guns out pointing at each other?

13 A That's right. Both of them, both of them. The state
14 police had stopped that black armored suburban. And the --
15 they didn't want it to go. And the federal police wanted them
16 to leave it there and take it with them.

17 Q Was your lieutenant, Valdivia, on the scene?

18 THE INTERPRETER: Interpreter clarification.

19 A Yes, the commander was there, as was the coordinator of
20 the federal forces, Jorge Anguiano Terriquez.

21 Q Terriquez and Valdivia are on the scene.

22 What do you do.

23 A I immediately questioned the coordinator, Terriquez, and
24 asked him why he was doing this. I told him he was out of his
25 jurisdiction, that this was a state -- interpreter correction:

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1270

1 That the state had stopped this vehicle, and that he was just
2 showing off.

3 And he told me that he -- Genaro Luna had ordered
4 him, the secretary of public security, to take that unit, it
5 would allow that unit to go.

6 And I told him, I was telling him, I faced off with
7 him, I told him: Tell those people to get out so they can
8 identify themselves and then they can leave.

9 Q Did the people in the suburban get out of the car?

10 A No, they didn't get out. And the situation got very
11 tense. It was getting very tense. It was getting more tense.
12 And he was wanting to show me his phone. And he's saying: My
13 boss is ordering me to get that vehicle out of here.

14 And I said: Hey, you're just showing off. That
15 could be El Chapo in there, you know? And so the situation
16 was getting very tense. There were a lot of civilians around.
17 This was a very busy intersection. And so I allowed that unit
18 to go. And he told me that he would come the next day to
19 explain things.

20 Q Did you receive any information about who was in the car?

21 THE COURT: Objection.

22 MS. KOMATIREDDY: I can break it down, Your Honor.

23 THE COURT: Yes.

24 Q Did you receive any information from the Beltrans with
25 whom you had an agreement about who was in the car?

EDGAR VEYTIA - DIRECT - MS. KOMATIREDDY 1271

1 A Commander Valdivia had the direct connection with H-2.
2 And they had some very important information from inside
3 El Chapo's organization that possibly that inside -- that
4 there inside was El Chapo.

5 MR. MIEDEL: Objection.

6 THE COURT: One second.

7 Sustained.

8 Q You testified that Commander Terriquez, Federal
9 Coordinator Terriquez, said he would come to your office the
10 next day.

11 Did he come to your office the next day.

12 A Yes. Yes, he did go.

13 Q What happened when Terriquez came in to your office the
14 next day?

15 A He told me that his boss, Mr. Genaro Luna, had to thank
16 you for the attention, but he didn't give me an explanation,
17 any explanation at all about who was inside the vehicle. And
18 I was there waiting. And I was there waiting.

19 And then at one moment he handed me the phone. And
20 I put it up to my ear, and I heard him say: Thank you. Thank
21 you very much, you know, Mr. Terriquez is there for anything.
22 And that was it.

SIDEBAR CONFERENCE

1273

1 (Sidebar conference.)

2 MS. KOMATIREDDY: I want to understand the
3 objection, see if I could fix it.

4 THE COURT: I thought it was hearsay within hearsay.

5 MS. KOMATIREDDY: Okay.

6 THE COURT: One prong admissible, the other not.

7 MR. MIEDEL: You also said possibly.

8 MS. KOMATIREDDY: "Possibly" I can fix. I see.

9 Because H2 is telling Valdivia, but they are all part of the
10 Sinaloa agreement.

11 THE COURT: Are they?

12 MS. KOMATIREDDY: The case presented the Sinaloa
13 civil war but also co-conspirators, there is a civil war
14 happening.

15 THE COURT: You have one co-conspirator, but I don't
16 know who the other one is.

17 MS. KOMATIREDDY: Sorry. Which one is it that
18 you --

19 THE COURT: The second one, the one that actually --

20 MS. KOMATIREDDY: Said the statement.

21 THE COURT: Yes.

22 MS. KOMATIREDDY: H2 is the second under Hector
23 Beltran. H is Hector Baltran. H1 is Chaugin Lizarraga, first
24 lieutenant. H2 is the second lieutenant.

25 THE COURT: I missed that.

SIDEBAR CONFERENCE

1274

1 MR. MIEDEL: Judge, this has become abundantly
2 clear. There is a war going on between the Sinaloa and the
3 Hector Beltrans. The witness said he heard from the person
4 who speaks to H2 that H2 had heard from somebody in the
5 Sinaloa cartel that it may have been Chapo. That is so many
6 levels of hearsay, especially among two factions that are
7 fighting each other and no longer aligned at that point.

8 THE COURT: You've got one Sinaloa guy hearing from
9 another Sinaloa guy that someone in the Beltran Leyva camp
10 said something. Is that what is going on? Is that the
11 testimony?

12 MS. KOMATIREDDY: Part of the agreement that these
13 guys have, the politicians and the drug traffickers, is
14 sharing intelligence. So everyone here is Sinaloa; there is
15 civil war going on. I don't know if it's that many levels of
16 hearsay. My request is to go back to the transcript and see
17 what the answer was. I believe H2 is the one with the
18 information who is informing Valdivia, Mr. H2's number two
19 guy, that they think El Chapo is in the car

20 THE COURT: I'm going to sustain it on Rule 403.

21 MS. KOMATIREDDY: I wanted to understand it. That's
22 all. Thank you.

14 Okay. Let's continue direct.

15 MS. KOMATIREDDY: Thank you, Judge.

16 BY MS. KOMATIREDDY:

17 Q Mr. Veytia, generally how large was the federal police
18 force?

19 A The federal police is comprised of several thousand
20 agents.

21 Q How large was your police force at the state level and
22 the municipal level?

23 A We had approximately 800 agents.

24 Q What kinds of vehicles did the federal police use?

25 A They used four-door pickup vehicles. They used armored

VEYTIA - DIRECT - MS. KOMATIREDDY

1276

1 vehicles known as Rhinos. They used vehicles, charger-type
2 vehicles. Yes.

3 Q Anything else?

4 A They had helicopters. They had attack helicopters.

5 Q Did you have those type of items, armored trucks, attack
6 helicopters, at the state level?

7 A No. Not during the 2012 period, no.

8 Q At the municipal level?

9 A No.

10 Q What kinds of weapons did the federal police have?

11 A They had short guns, 9-millimeter. They had long guns
12 AR-15s. They had access to machine guns.

13 Q Did you have comparable weapons at the state level?

14 A Only half of my force.

15 Q What did the other half have?

16 A Revolvers and shotguns.

17 Q Do the federal police have military-style weapons?

18 A The special group in the federal forces, they did.

19 Q Did you have special group at the state and municipal
20 level that had military-style weapons?

21 A No.

22 Q Were you familiar with the budgets allocated to the
23 federal police forces and the state and municipal state police
24 forces?

25 A Yes, I did have access. As the executive secretary of

VEYTIA - DIRECT - MS. KOMATIREDDY

1277

1 the special bureau for the state of Nayarit, I did.

2 Q How did federal police force budgets compare to state and
3 local budgets?

4 A Well, compared to the state of Nayarit, it was like 2,000
5 to one.

6 Q Did the federal police work with and receive assistance
7 from U.S. law enforcement agencies?

8 A Yes.

9 Q Were you at the state and municipal levels able to
10 receive help from U.S. law enforcement agencies on a regular
11 basis?

12 A No.

13 Q Why not?

14 A States cannot enter into any kind of agreement with
15 entities from foreign countries.

16 Q Did you ever see the defendant, Genaro Garcia Luna, in
17 the news, meeting with U.S. officials?

18 A Yes.

19 Q What do you remember about that?

20 A I remember when President Obama came to Mexico, there was
21 a meeting. There was a photo taken. And also with the
22 higher-up chiefs of different agencies such as the DEA, CIA, I
23 saw that.

24 Q What impression did you take from that?

25 MR. MIEDEL: Objection.

VEYTIA - DIRECT - MS. KOMATIREDDY

1278

1 THE COURT: Sustained.

2 Q How did that impact you?

3 MR. MIEDEL: Objection.

4 THE COURT: Sustained.

5 Q Did you have the ability to meet with president Obama and
6 the chiefs of the DEA and CIA?

7 A No.

8 Q After you returned from Mexico City from the meeting at
9 the bunker and the meeting between your governor and the
10 defendant, Genaro Garcia Luna, what did and the governor do?

11 A So we had no resources, so we had to create a police
12 force out of nothing. It was called the Nayarit Police. Our
13 helicopter was rented, we got new uniforms, and we got an
14 armored vehicle on credit.

15 Q What did you do with your rented helicopter and your
16 armored vehicle on credit?

17 A Well, we tried to commit -- we tried to convey a sense of
18 security to the citizens of Nayarit.

19 Q You said you created a new police force. Did you
20 actually hire more police officers?

21 A No.

22 Q Where did you get the new police force from?

23 A From the municipal and the state police.

24 Q You just gave them new uniforms?

25 A Yes.

VEYTIA - DIRECT - MS. KOMATIREDDY

1279

1 Q Were you able to give them additional training?

2 A We were able to do that later on, but not right then.

3 Q Were you able to acquire new weapons?

4 THE INTERPRETER: Could you repeat the beginning of
5 the question for the interpreter.

6 Q Were you able to acquire new weapons?

7 A No.

8 Q Subsequently did you meet with someone, another
9 individual associated with Chapo named Ochoa?

10 A The second time when they tried to buy the Nayarit plaza.

11 Q Who is "they"?

12 A The Sinaloa cartel, the Chapo Mayo, Nacho Prieto faction.

13 Q Approximately when was this?

14 A At the beginning of 2011, the first quarter. The first
15 quarter of 2011.

16 Q Did Ochoa talk to you about the defendant, Genaro Garcia
17 Luna?

18 A Yes. After this meeting was set up -- and the person who
19 set it up was Julian Venegas, who was Chapo's compadre, or
20 very good friend -- well, everyone came to the meeting, and we
21 were talking about exactly this topic, how they wanted to buy
22 the plaza. They offered me \$5 million to do that, and they
23 had brought with them \$1 million to close the deal right then.

24 So my response to their representative was that 06
25 Albert, and the pelochos to try to kill me. They had

VEYTIA - DIRECT - MS. KOMATIREDDY

1280

1 kidnapped some of my police officers. So this was hard for
2 me.

3 Then he very energetically said, Look, in order to
4 close on this deal, I have the balls and the power to get
5 whoever I need out of Nayarit.

6 And then he told me that he had arranged this
7 situation on the federal level. Did I remember back when
8 Chavin, H1, had been killed. Garcia Luna had been paid
9 \$5 million to authorize the operation to go after Chavin
10 because he had killed Nacho Coronel's son. And he had just
11 paid \$3 million to -- exactly to be able to negotiate with all
12 of the police precincts. This was at the federal level, the
13 federal highway police, and also to have access to the
14 Guadalajara airport so the narcotics could come in.

15 Q During that conversation, Ochoa was offering you money,
16 right?

17 A Yes.

18 Q Did you take the offer?

19 A No.

20 Q Why not?

21 A Because we had a commitment with the Beltrans.

22 Q In 2012 does the defendant, Genaro Garcia Luna, leave
23 office near the end of that year?

24 A Yes. The president changed.

25 Q Okay. Now I want to talk a little more about you and

VEYTIA - DIRECT - MS. KOMATIREDDY

1281

1 some of the things you did in 2013 and forward.

2 Did you enter into a position of greater power in
3 2013?

4 A Yes.

5 Q What position is that?

6 A I was elected by the local congress to become Attorney
7 General of the state.

8 Q Is that the highest office that you held in Mexico?

9 A That's correct.

10 Q I'm going to take a minute to show you some photos.

11 MS. KOMATIREDDY: Ms. Donovan, if we could please
12 start with Government Exhibit 35B, for the witness only,
13 please.

14 BY MS. KOMATIREDDY:

15 Q Do you recognize this?

16 A Yes.

17 Q Approximately what time frame is this picture taken in?

18 A That period was between 2009 to 2011.

19 Q Is it a fair and accurate photo of you at work between
20 2009 and 2011?

21 A Yes. I was secretary for public security in the
22 municipality of Tepic.

23 MS. KOMATIREDDY: Government moves 35B into
24 evidence.

25 MR. MIEDEL: No objection.

VEYTIA - DIRECT - MS. KOMATIREDDY

1282

1 THE COURT: Received.

2 (Government Exhibit 35B, was received in evidence.)

3 MS. KOMATIREDDY: If we could turn to Government

4 Exhibit 35D and E for the witness only, please.

5 BY MS. KOMATIREDDY:

6 Q Do you recognize those photographs?

7 A Yes.

8 Q What time frame was this -- were these photographs taken
9 in?

10 A In 2012.

11 Q Are these fair and accurate photographs of you in 2012?

12 A Yes.

13 MS. KOMATIREDDY: The Government moves 35D and 35E
14 into evidence.

15 MR. MIEDEL: No objection.

16 THE COURT: Received.

17 (Government Exhibit 35D & 35E, were received in
18 evidence.)

19 BY MS. KOMATIREDDY:

20 Q If we could start with 35D.

21 Can you explain to the jury the context of this
22 photograph?

23 A That was when the Nayarit police force was created so
24 that we could convey a sense of security for the people of
25 Nayarit.

VEYTIA - DIRECT - MS. KOMATIREDDY

1283

1 Q If we could turn to 35E.

2 Is that the rented helicopter?

3 A Yes. That was the rented helicopter, and then on the
4 other side is a motorcycle that was seized.

5 MS. KOMATIREDDY: If we could please have for the
6 witness only 35 and 35A.

7 BY MS. KOMATIREDDY:

8 Q What time frame are these photographs taken?

9 A After 2013.

10 Q Are these true and accurate photographs of you when you
11 were Attorney General?

12 A Yes.

13 MS. KOMATIREDDY: The Government moves 35 and 35A
14 into evidence.

15 MR. MIEDEL: No objection.

16 THE COURT: Received.

17 (Government Exhibit 35 & 35A, were received in
18 evidence.)

19 BY MS. KOMATIREDDY:

20 Q Turning to 35A. There's a portrait in the background of
21 this photograph. Who is that portrait of?

22 A That is the current governor at that time, Roberto
23 Sandoval Castanedas.

24 Q Thank you.

25 After you become Attorney General, do you continue

VEYTIA - DIRECT - MS. KOMATIREDDY

1284

1 with your agreement with drug traffickers?

2 A Yes.

3 Q What happens during that agreement? How do you carry it
4 out?

5 A We carried it out by not apprehending them and by also
6 giving them information when needed to evade the justice or to
7 escape and to cover up any crime they may have committed.

8 Q Was your main point of contact still H2?

9 A Correct.

10 Q Did there come a time when you began receiving monthly
11 payments?

12 A Yes.

13 Q Can you explain how that came about?

14 A Commander Valdivia was arrested by the Santa Maria del
15 Oro authorities, and that's when I had to get involved
16 directly so that I could keep control of the state.

17 Q What did you do when you got involved directly?

18 A I grabbed the phone so I would be in direct communication
19 with H2.

20 Q Did you come to an agreement with H2?

21 A Yes.

22 Q What was your agreement?

23 A That he would pay 2 million pesos per month so that he
24 could keep control of the state.

25 Q Did you receive that money?

VEYTIA - DIRECT - MS. KOMATIREDDY

1285

1 A Yes.

2 Q Who delivered it to you?

3 A Different commanders would deliver it.

4 Q Did you ever receive it directly?

5 A Once or twice.

6 Q Did you distribute that money further?

7 A Yes.

8 Q To whom?

9 A We distributed to the different commanders for the
10 different sectors, to judges, journalists.

11 Q Why?

12 A To keep up appearances and to keep control of the state.

13 Q Did you keep any of the money for yourself?

14 A Yes, the leftovers.

15 Q What did you do with the money you kept?

16 A I bought some houses and livestock.

17 Q Were there certain police commanders you used to carry
18 out your side of the agreement?

19 A The most important one was Segundo Puerta.

20 Q Did you trust all the police commanders with your orders?

21 A Well, only those from the first command so that they
22 would in turn deliver the orders to the third or fourth
23 command.

24 Q How did your relationship with H2 work? How would he
25 call upon you for help?

VEYTIA - DIRECT - MS. KOMATIREDDY

1286

1 A Through the BlackBerry. That's how we communicated, over
2 the phone.

3 Q Can you give us an example how he would request your
4 help?

5 A Well, for example, if they had arrested retail sales drug
6 trafficker, then he would tell me so that we could release
7 that person or we could cover a certain situation. He would
8 tell me what he wanted and what he needed. For example, if
9 there had been a homicide and he needed it to be covered up,
10 then he would also tell me that.

11 Q Did you know that H2 and his people were selling drugs in
12 Nayarit?

13 A Yes.

14 Q Did you stop it?

15 A No.

16 Q Why not?

17 A Because we had an agreement.

18 Q Did you know that H2 was going to murder people in
19 Nayarit?

20 A Yes, he did tell me.

21 Q Did you stop it?

22 A No.

23 Q Why not?

24 A Because we had the agreement.

25 Q I'm going to turn your attention to February 2017.

VEYTIA - DIRECT - MS. KOMATIREDDY

1287

1 What happened in your relationship with H2 at that
2 time?

3 A At that time H2 was out of control. He had just killed
4 eight young men who would sell drugs in the street. They did
5 not belong to his organization, but they would sell.

6 Q What did you do?

7 A Together with other federal authorities and with the
8 government's authorization, the idea was to eliminate him.

9 Q To be clear, when you refer to other federal authorities,
10 that was not the federal police, correct?

11 A Correct.

12 Q Did you and these other government officials plot to
13 capture and kill H2?

14 A Yes.

15 Q Did you and these other government officials, in fact,
16 capture H2?

17 A Yes.

18 Q Were you present when that happened?

19 A Yes.

20 Q Did you hear him being tortured?

21 A Yes.

22 Q Did you intervene?

23 A No.

24 Q Was he ultimately killed?

25 A Yes.

VEYTIA - DIRECT - MS. KOMATIREDDY

1288

1 Q Why did you decide to eliminate someone who was paying
2 you bribes?

3 A Because he was already out of control.

4 Q After H2 was dead, did you go after anyone else?

5 A We went after his entire organization. We captured H9,
6 and he was also killed.

7 Q Overall, Attorney General Veytia, how many murders have
8 you been involved in?

9 A I am responsible of ten or more.

10 Q Do you remember someone named Paiza?

11 A Yes.

12 Q Did you assist with the murder of Paiza?

13 A Yes.

14 Q Can you tell us about that?

15 A H2 had already identified him as someone who would cause
16 trouble, and he told me that he was going to execute him. And
17 I did not intervene to stop that. But they didn't manage it.
18 He was wounded and he was at a hospital. And he told me that
19 iff I didn't remove the police officers or the local
20 prosecutor's agents from there that things were going to get
21 really ugly, so I decided to remove the staff from there.

22 Q So Paiza is in a hospital room, and you remove the police
23 officer who's guarding his room?

24 A Yes.

25 Q And what does that allow H2's people to do?

VEYTIA - DIRECT - MS. KOMATIREDDY

1289

1 A Execute him.

2 Q Attorney General Veytia, have you been involved in the
3 torture of anyone?

4 A Yes.

5 Q Can you describe who?

6 A There was this situation where somebody who had raped and
7 killed a one-and-a-half-year-old baby girl. He did not want
8 to tell us where some of the evidence was in order for us to
9 be able to incriminate him. And that was when we put a bag on
10 him and poured water over.

11 Q Is that called waterboarding?

12 A Yes.

13 Q Did you also use Tasers?

14 A Yes.

15 Q Did that individual later die?

16 A Yes, in the penal institution.

17 Q Were you also involved in detaining, interviewing, and
18 torturing people on behalf of H2?

19 A Yes.

20 Q Attorney General Veytia, were you involved in kidnapping
21 people?

22 A Yes.

23 Q And hiding evidence?

24 A Yes.

25 Q And arson?

VEYTIA - DIRECT - MS. KOMATIREDDY

1290

1 A Yes.

2 Q And lying in police reports and prosecutions to cover for
3 H2?

4 A Yes.

5 Q And stealing seized property?

6 A Yes.

7 Q Taking kickbacks?

8 A Yes.

9 Q And did you continue taking bribes from other drug
10 traffickers?

11 A Yes.

12 Q While you were involved in drug trafficking crimes, did
13 you travel back and forth from Mexico to the United States?

14 A Correct.

15 Q Why did you feel comfortable doing that?

16 A I didn't think I would be arrested.

17 Q What happened when you traveled to the United States in
18 March 2017?

19 A I was arrested on March 27, 2017.

20 Q After your arrest, did you begin providing information to
21 the U.S. government?

22 A Yes.

23 Q Did you plead guilty to any crimes?

24 A Yes.

25 Q What crime did you plead guilty to?

VEYTIA - DIRECT - MS. KOMATIREDDY

1291

1 A To Article 959D.

7 A I am guilty.

8 Q Have you been sentenced?

9 A Yes.

10 Q Prior to your sentencing, did the government inform the

12 A Yes.

13 Q What sentence did you receive?

14 A Twenty years.

15 Q Do you hope to receive anything as a result of testifying
16 here today?

17 A Yes.

18 Q What do you hope to receive?

19 A A reduction in my sentence.

20 Q Who decides whether you receive a sentence reduction?

21 A Just the judge who sentenced me the first time, only her.

22 Q Has anyone promised you a sentence reduction?

23 A No.

24 Q When the judge decides, will the judge have seen all of
25 your testimony?

VEYTIA - DIRECT - MS. KOMATIREDDY

1292

1 A Yes.

2 Q All the good?

3 A Yes.

4 Q All the bad?

5 A All the bad.

6 Q Is it possible that you testify here today and you do not

23 A No.

24 Q Attorney General Veytia, are you familiar with the phrase
25 "plata o plomo"?

VEYTIA - DIRECT - MS. KOMATIREDDY

1293

1 A Yes.

2 Q What does it mean?

3 A It means if you don't take the money, you'll get killed.

4 Q As a law enforcement officer in Mexico, is there a third
5 option?

6 A Of course.

7 Q What is it?

8 A It's a hard road to take, but it's the correct one to
9 take, and it is to carry out your duties and responsibilities
10 as you should.

11 MS. KOMATIREDDY: No further questions.

12 THE COURT: Cross-examination.

13 MR. MIEDEL: Your Honor, could we have a sidebar?

VEYTIA - CROSS - MR. MIEDEL

1 (In open court.)

2 CROSS-EXAMINATION

3 BY MR. MIEDEL:

4 Q Good afternoon.

5 A Good afternoon.

6 Q If you don't mind, I'm not going to call you Attorney
7 General Veytia. Okay?

8 It sounds like you understand and speak English
9 quite well. Are you going to testify in English or in
10 Spanish?

11 A Spanish.

12 Q Mr. Veytia, you were, as you testified, a senior
13 government official in Mexico, correct?

14 A Yes.

15 Q Genaro Garcia Luna was, between 2006 and 2012, federal
16 secretary of public security, correct?

17 A Yes.

18 Q He was essentially right below the president of the whole
19 country, correct?

20 A Yes.

21 Q And he was well known to the whole country, correct?

22 A Correct.

23 Q It was big news when he was arrested in December of 2019,
24 correct?

25 A Correct.

VEYTIA - CROSS - MR. MIEDEL

1297

1 Q You were in jail at the time, right?

2 A Yes.

3 Q But even you knew about it?

4 A About his arrest? Yes.

5 Q Now, you just testified that you were arrested on
6 March 27, 2017, when you crossed the border from Mexico into
7 the United States, right?

8 A Correct.

9 Q And once you're arrested, you were interviewed at length
10 by the FBI, correct?

11 A Correct.

12 Q You learned that there was an Indictment of narco
13 trafficking against you here in the federal court of Brooklyn,
14 right?

15 A Yes.

16 Q You also learned that the FBI had real evidence against
17 you? For example, they had you tape -- they had BlackBerry
18 communications with you, right?

19 MS. KOMATIREDDY: Objection to the characterization.

20 THE COURT: Overruled.

21 THE WITNESS: No.

22 Q You did not know that?

23 A No.

24 Q Do you recall that in that initial interview on March 27,
25 2017, they showed you transcripts of recordings of yours?

VEYTIA - CROSS - MR. MIEDEL

1298

1 A No.

2 Q Let me show you, just you, what's marked as EB-2.

3 MR. MIEDEL: Sorry. One second. You can take that
4 down.

5 Q I meant EB-21. We'll go to page 2.

6 Do you see that on your screen, sir?

7 A No.

8 Q Do you see it now?

9 Q Do you see it now?

10 A Yes.

11 Q You see the paragraph that starts with "Veytia was
12 shown"?

13 A Yes.

14 Q You were shown -- is it true that you were shown
15 transcripts of BlackBerry conversations?

16 A I don't remember.

17 Q Okay.

18 MR. MIEDEL: You can take that down.

19 Q During that first interview when you were first arrested
20 on March 27, 2017, you lied a lot to the FBI, didn't you?

21 A No.

22 Q Isn't it true that you told them you never had any
23 interactions with the narco traffickers?

24 A I told them I had never done that bringing drugs to the
25 United States.

VEYTIA - CROSS - MR. MIEDEL

1299

1 CROSS-EXAMINATION (Continuing)

2 BY MR. MIEDEL:

3 Q Isn't it true that you told them that you had no direct
4 communications with H-2?

5 A I told them, yes.

6 Q At some point shortly after this initial meeting with the
7 FBI, you decided you were going to cooperate with the U.S.
8 government, right?

9 A I was talking to them since the first moment that I was
10 arrested.

11 Q You were arrested March 27th of 2017, right?

12 A Correct.

13 Q And your first official meeting with agents and
14 prosecutors was on April 6th and 7th of that same year, just a
15 few -- couple weeks later, right?

16 A Correct.

17 Q And you understood that you needed to be honest and
18 truthful and complete, right?

19 A Yeah, that I had to answer with the truth.

20 Q And you had to be complete and accurate, right?

21 A As far as I remember, yes.

22 Q And you understood that you had to be forthcoming with
23 information?

24 A Yes.

25 Q And the way that these meetings worked, sometimes you

VEYTIA - CROSS - MR. MIEDEL

1300

1 were asked specific things, correct?

2 A Generally, they are very specific, yes.

3 Q Sometimes they would ask you, for example, how did you
4 communicate with H-2?

5 A Yes.

6 Q And sometimes they would ask you more general questions,
7 like tell us about corruption in Nayarit, right?

8 A I don't remember that.

9 Q You don't ever remember being asked a general question;
10 is that what you're saying?

11 A Yes, no, I don't.

12 Q But you understood that you needed to be honest and
13 complete?

14 A Yes.

15 Q And not leave anything out?

16 A As to what they would ask me, yes.

17 Q And today you testified a fair amount about your belief
18 that Genaro Garcia Luna was somehow associated with the
19 Sinaloa Cartel, right?

20 A Yes.

21 Q That's why you're here today?

22 A Yes.

23 Q And you would agree, sir, wouldn't you, that the
24 information about the federal secretary of public security
25 working with El Chapo's cartel, that's big news, right, that's

VEYTIA - CROSS - MR. MIEDEL

1301

1 a big -- that's an important fact?

2 A Yes.

3 Q I mean, establishing a link of the cartel all the way to
4 the person right below the president, that -- there's almost
5 no bigger news in this respect , right?

6 A Possibly.

7 Q And your -- you consider yourself a smart person, right?

8 A Normal.

9 Q Well, you have a law degree, right?

10 A Yes.

11 Q And you said you had some other higher degrees as well?

12 A Yes.

13 Q And you understood that the purpose of the meetings that
14 you were having with the government at that time was to try to
15 help yourself, right?

16 A Yes.

17 Q So if you knew that you were sitting on some very
18 explosive information, you would not have kept that to
19 yourself, would you?

20 A The questions they were asking me were very specific.

21 Q They asked you about corruption, correct?

22 A Yes.

23 Q You ended up meeting with law enforcement and the
24 prosecutors 11 times between April 2017 and the end of 2018;
25 is that correct?

VEYTIA - CROSS - MR. MIEDEL

1302

1 A Well, I don't know if there were 11 times, but I know
2 there were many times.

3 Q In fact, you put in an affidavit that you believed it was
4 more than 150 hours that you spent with these people?

5 A Possibly.

6 Q Well, if I showed you that affidavit, would that refresh
7 your recollection?

8 A No, it's part of my motion, the 2255 that I have for
9 conflict of interests.

10 Q Right.

11 I'm just asking you, do you recall that in that
12 affidavit you said that you were debriefed by law enforcement
13 for more than 150 hours.

14 A Yes.

15 Q And for you, the goal of all those meetings and
16 participating in those meetings was to get a cooperation
17 agreement, correct?

18 A Correct.

19 Q And eventually, what's known as a 5K letter from the
20 government, right?

21 A Correct.

22 Q And during those meetings, you talk all about your own
23 criminal activities, right?

24 A Yes.

25 Q You talked about the criminal activities of other people,

VEYTIA - CROSS - MR. MIEDEL

1303

1 right?

2 A Yes.

3 Q The cartel people you worked with, right?

4 A Yes.

5 Q The drugs that were moved and that you helped with?

6 A Yes.

7 Q The killings, the kidnappings, the torture you
8 participated in?

9 A Yes.

10 Q You talked about the bribes that you and others received
11 from the cartels, right?

12 A Yes.

13 Q You talked about corruption by government employees?

14 A Yes, local ones.

15 Q Only local ones?

16 A No. And about the period between the 2013 and 2017.

17 Q Well, you talked about judges, right?

18 A Local ones, yes.

19 Q You talked about the governor?

20 A Yes.

21 Q Talked about police commanders, right?

22 A Yes.

23 Q Talked about generals, right?

24 A Yes.

25 Q From the military?

VEYTIA - CROSS - MR. MIEDEL

1304

1 A Yes.

2 Q In fact, you talked about the national secretary of
3 defense, didn't you?

4 A Yes.

5 Q And before 2019 and those 11 meetings, not once, not once
6 did you mention the name Genaro Garcia Luna; isn't that
7 correct?

8 A Correct.

9 Q Did you say "correct"?

10 A Yes. Yes.

11 Q Now, in January of 2019, you pled guilty, right?

12 A Yes.

13 Q You were still hoping to get that 5K letter, right?

14 A Yes.

15 Q But then sometime in 2019 you learned that the
16 prosecutors were not going to give you a cooperation
17 agreement, right?

18 A Correct.

19 Q And that's because they said that they could not
20 corroborate the information that you had provided, right?

21 A I don't remember perfectly what you're saying. I don't
22 remember that.

23 MS. KOMATIREDDY: Your Honor, may we have a sidebar?

24 THE COURT: Okay.

25 (Continued on the next page.)

SIDEBAR CONFERENCE

1305

1 (Sidebar conference held on the record in the
2 presence of the Court and counsel, out of the hearing of the
3 jury.)

4 MS. KOMATIREDDY: We moved on this, Your Honor. The
5 defense is precluded from asking why he wasn't offered a
6 cooperation agreement.

7 MR. MIEDEL: No, I was under the impression I
8 couldn't ask about the fact that the DEA --

9 THE COURT: Say that again?

10 MR. MIEDEL: That the DEA had decided he was lying,
11 that's the issue. This is part of the sentencing. It was in
12 the sentencing transcript that the prosecutors said that they
13 couldn't corroborate the information.

14 THE COURT: I excluded from what the prosecutors
15 said. What I said was that you could put in that the Judge
16 made a finding at sentencing.

17 MR. MIEDEL: And you were talking about the Colorado
18 case. That was a different -- different witness, different
19 person.

20 THE COURT: Okay, then I do not remember this one.

21 MR. MIEDEL: No, they moved to preclude the
22 determination that the DEA had decided he wasn't credible.

23 MS. KOMATIREDDY: Our motion is very clear. We
24 moved on two grounds, to preclude any opinion by the DEA or
25 alleged opinion on the DEA or prosecutor, and also any

1 examination on why he wasn't offered a cooperation agreement.
2 It's not relevant, it's highly prejudicial, it's inviting
3 comparison of cases which, by the way, includes a comparison
4 of the Cienfuegos case, which we also moved on.

5 THE COURT: I agree, I am going to exclude it.

1 (In open court.)

2 MS. KOMATIREDDY: Judge, we also move to strike the
3 last question and answer.

4 THE COURT: The last question is stricken.

5 BY MR. MIEDEL:

6 Q Mr. Veyita, when you learned that you were not going to
7 get a cooperation agreement, you were devastated by that,
8 right?

9 A Yes.

10 Q Because that meant that you were going to face a minimum
11 sentence of ten years, right?

12 A Yes.

13 Q And a maximum sentence of life, right?

14 A Yes.

15 Q And then in September of 2019, you were sentenced, right?

16 A Correct.

17 Q And as you had testified on direct, the prosecutors
18 provided the judge with the information that -- about your
19 cooperation, right?

20 A Yes.

21 Q But you didn't get a 5K letter, right?

22 A No.

23 Q And your lawyer asked the judge to impose the minimum
24 sentence, which was ten years, right?

25 A Yes.

VEYITA - CROSS - MR. MIEDEL

1308

1 Q And the judge ended up giving you 20 years?

2 A Correct.

3 Q And that was much more than you had hoped for, right?

4 A Yes.

5 Q And at that sentencing, you spoke and you expressed a lot
6 of remorse about what you had done, right? You remember that?

7 A Yes.

8 Q But after the sentencing, you -- you filed a motion
9 against -- you filed a couple of motions against your lawyer,
10 right?

11 A Yes.

12 Q And you said that you weren't happy with your lawyer
13 because he had not told you about a valid defense that you
14 had, a venue, right?

15 A Yes.

16 Q And if you had known about that, you wouldn't even have
17 pled guilty, right?

18 A No.

19 Q So you're sentenced in September of 2019, correct?

20 A Yes.

21 Q And you've got 20 years of your life to sit in prison,
22 right?

23 A Correct.

24 Q And then less than three months later, Genaro Garcia Luna
25 is arrested, right?

VEYITA - CROSS - MR. MIEDEL

1309

1 A I don't know the exact date.

2 Q And then in the summer of 2020, you have a conversation
3 with your new lawyer, right?

4 A Yes.

5 Q And those conversations lead your lawyer to reach out to
6 these prosecutors offering you assistance against Garcia Luna,
7 correct?

8 A Yes. My lawyer asked me what I knew, and I told him what
9 connected me to him.

10 Q And your lawyer sent a letter to the government
11 explaining that you could be of help, right?

12 A I don't know the process, but I think they did meet with
13 the government.

14 Q And then you started meeting with the government, right,
15 with these prosecutors?

16 A Yes.

17 Q And that's the first time that you mentioned the name
18 Genaro Garcia Luna to a federal official, correct?

19 A First, it was to my lawyer and then to the prosecutors,
20 yes.

21 Q And you learned that if you could provide cooperation,
22 even though you had already been sentenced, you could get
23 what's called a Rule 35, right?

24 A Yes.

25 Q And the Rule 35 allows your sentencing judge to

VEYITA - CROSS - MR. MIEDEL

1310

1 reconsider your sentence and give you something different,
2 right?

3 A Yes.

4 Q And it's the government, the prosecutors, that write that
5 Rule 35 motion to the judge to permit that to happen, right?

6 A I believe so.

7 Q So without that motion that there -- they write to the
8 judge, you're stuck with your 20 years, right?

9 A No.

10 Q Well, the only way that you could get a sentence
11 reduction is if the prosecutors write the judge a Rule 35
12 motion, right?

13 A I have a pending 2255.

14 Q What do you think the 2255 is going to get you?

15 A I don't know exactly. I don't know exactly.

16 Q You're a lawyer, right?

17 A Yes.

18 Q And you filed this motion called a 2255, right?

19 A Yes.

20 Q To get your plea back, right?

21 A Yes, or a sentence reduction.

22 Q But you know, right, that that has nothing to do with
23 whether you are resentenced pursuant to what these prosecutors
24 tell your sentencing judge?

25 A Correct.

VEYITA - CROSS - MR. MIEDEL

1311

1 Q So let me go back to what I asked you originally.

2 So you understand that unless these prosecutors
3 write a Rule 35 motion to your sentencing judge, your sentence
4 remains 20 years.

5 MS. KOMATIREDDY: Objection. Asked and answered.

6 THE COURT: Overruled.

7 A The 2255 has still not been resolved; it's pending.

8 THE COURT: He is asking you a different question.

9 He is saying that the 2255 is not connected to your
10 cooperation.

11 THE WITNESS: Yes.

12 MR. MIEDEL: Thank you.

13 MS. KOMATIREDDY: Sorry, Your Honor. I ask for a
14 sidebar.

15 THE COURT: Yes, I have to give an instruction to
16 the jury.

17 MS. KOMATIREDDY: Sorry, Your Honor, may I please
18 approach?

19 THE COURT: We'll talk first, then I'll give an
20 instruction.

21 (Continued on the next page.)

25

SIDEBAR CONFERENCE

1312

1 (Sidebar conference held on the record in the
2 presence of the Court and counsel, out of the hearing of the
3 jury.)

4 MS. KOMATIREDDY: It's little complicated in this
5 case. His 2255 is a balance in cooperation in his part.

6 THE COURT: How is it cooperation?

7 MS. KOMATIREDDY: He alleges conflict of interest.
8 Alleging not getting a cooperation agreement, he sees that as
9 an alternative avenue for getting a sentence reduction.

10 THE COURT: I did not say he was not looking for a
11 sentence reduction. I was saying he is not basing it on his
12 cooperation, that is true.

13 MS. KOMATIREDDY: I think in his view, since that
14 litigation is also ongoing and we have not asked that it not
15 be, the Judge could take into account his testimony here, his
16 continued cooperation if she chooses.

17 THE COURT: How would she do that in a 2255?

18 MS. KOMATIREDDY: His claim, Your Honor, he was
19 wrongly deprived of the cooperation agreement and should
20 the -- should there be some --

21 THE COURT: If counsel was ineffective and the most
22 he could get would be a resentencing. And you are saying in
23 that resentencing, he could raise his cooperation after saying
24 that his lawyer was ineffective for not -- for getting him a
25 cooperation agreement?

SIDEBAR CONFERENCE

1313

1 MS. KOMATIREDDY: That's his view, Your Honor.
2 Under resentencing, Judge Amon would be able to reconsider
3 everything.

4 THE COURT: It is fanciful.

5 MS. KOMATIREDDY: Okay, I'm not sure I agree. I'm
6 telling you it's his view.

7 THE COURT: I am saying it is fanciful.

8 MS. KOMATIREDDY: I understand.

9 THE COURT: It cannot happen as a practical matter.

10 MS. KOMATIREDDY: I just think his case is very
11 different. I don't know what is going to happen in his case.
12 I'm saying for purposes of cross-examination and impeachment,
13 that's his belief, so not simply a Rule 35 mechanism. That's
14 my point.

15 THE COURT: Here is what I am going to tell the
16 jury: A 2255 motion contends that something illegal happened
17 in the underlying proceedings. In this witness's case, he is
18 contending he did not receive effective assistance of counsel.
19 If the Court finds that on the 2255, it can resentence him.

20 MS. KOMATIREDDY: Right. Okay.

21 THE COURT: And I am going to say the Rule 35, on
22 the other hand, seeks to reduce the sentence not because there
23 was any legal error, but because there are other circumstances
24 that have arisen.

25 MS. KOMATIREDDY: Understood.

SIDEBAR CONFERENCE

1314

1 Thank you, Judge.

2 THE COURT: Okay.

3 Right.

4 MR. MIEDEL: Right. I mean, 2255 cannot compel a 5K
5 letter.

6 THE COURT: Correct.

7 MR. MIEDEL: So --

8 THE COURT: Correct. I will say all of that.

VEYITA - CROSS - MR. MIEDEL

1315

1 (In open court.)

2 THE COURT: Ladies and gentlemen, what we are
3 talking about are two legal avenues available to someone who
4 has been convicted or pled guilty of a crime.

5 When we say "2255," that means habeas corpus. And
6 what it stands for is that there was some constitutional error
7 in the proceedings leading up to the sentence.

8 In this witness's case, he is contending in his 2255
9 that the constitutional error was that he did not receive
10 effective assistance of counsel. If the Judge accepts that,
11 then the Judge will resentence him. He cannot obtain a 5K1
12 letter on that 2255 because it only deals with a legal error.

13 The other avenue we are talking about is a Rule 35 .
14 That does not require a legal error. That simply requires a
15 Court to determine if there are new circumstances that warrant
16 a reduction of the sentence. One of those new circumstances
17 could be the government having given a later 5K1 letter; that
18 is, a 5K1 letter that it had not given when the defendant was
19 sentenced.

20 Do we need to talk again?

21 I think that is it.

22 Okay. Continue, please, Mr. Miedel.

23 MR. MIEDEL: Thank you.

24 BY MR. MIEDEL:

25 Q You testified today about your relationship with Governor

1 Sandoval, right?

6 Q And you kept that recording, right?

7 A Yes.

8 Q And you, in fact, turned it over to the government?

9 A Yes.

10 Q And the reason that you recorded that conversation was
11 because you wanted to just ensure that there was a record of
12 what had happened, right?

13 A Correct.

14 Q You also testified about cloning a phone.

15 Can you explain that.

16 A A cloned phone is to have a separate phone that is a

7 Q And you were so upset about what happened, you went out
8 and actually arrested Pelucho, right, you had him arrested?

14 Q You called that meeting?

15 A Yes.

25 but stop killing each other, right?

1318

1 A Correct.

5 A Yes.

6 Q You had a house in Arboledas, right?

12 Q Now, were all these assets seized after your arrest?

13 A The Mexican ones and proportionately all the way up to

16 Q Now, you testified on direct that you were involved in or
17 responsible for at least ten murders, right?

18 A Ten homicides, I'm responsible for that, or more.

19 Q Or more.

20 And you talked about an individual named Paisa,
21 right.

22 A Yes.

23 Q You also permitted the murder of somebody named

20 A Among drug traffickers.

21 Q Which means "devil," right?

22 A Yes.

25 want to leave any marks?

VEYITA - CROSS - MR. MIEDEL

1323

1 A No.

2 Q That's not true?

3 A No.

4 Q Do you recall meeting with the government -- I mean, you
5 met with them many times, right?

6 A Yes.

7 Q You met with them in 2017 ?

8 A Yes.

9 MR. MIEDEL: One moment.

11 finish up in five or so.

12 MR. MIEDEL: I will finish up in five.

15 A I worked drug and non-drug-related matters in cases.

16 Q Can you get a little more specific about what you did for
17 the drug-related matters and the non-drug-related matters?

18 A Yes. Yes. The drug-related matters were basically
19 following the -- attending to leads from the U.S., my U.S.
20 counterparts, and working with my DEA counterparts that were
21 there stationed in Mexico.

22 And for the non-drug-related matters, it was a
23 working everything to include kidnappings, missing persons,
24 counterterrorism matters, parental kidnappings, fugitives,
25 both drug and non-drug-related.

JOSE MORENO - DIRECT - MR. PILMAR

1330

1 Q Where in Mexico were you based?

2 A First I was based in Tijuana, Baja, California.

3 Q Did you eventually move to a different location in Mexico
4 with the FBI?

5 A Yes. I spent three years in Tijuana, Baja, California,
6 and then one year in Monterrey, Mexico.

7 Q Did you work on any cases involving Joaquin Guzman Loera,
8 or Chapo Guzman?

9 A Yes, I did.

10 Q Who was he?

11 A Chapo Guzman was the leader of the Sinaloa cartel.

12 Q In general, what were your goals in the cases involving
13 him?

14 A To work with our U.S. counterparts to obtain information
15 and coordinate whatever information we had with our Mexican
16 counterparts so that they could have that information to
17 attempt to locate and arrest Chapo Guzman.

18 Q Was arresting Chapo Guzman a significant priority for the
19 FBI at that time?

20 A Yes, it was.

21 Q Why was that?

22 A Chapo Guzman was wanted in the United States. There were
23 numerous cases against him. And yes, he was a top priority.

24 Q Was he a fugitive when you arrived in Mexico in 2009?

25 A Yes, he was a fugitive.

JOSE MORENO - DIRECT - MR. PILMAR

1331

1 Q I want to direct your attention to February 9, 2012. Did
2 anything significant happen regarding your investigation into
3 Chapo Guzman on that day?

4 A Yes. On that date we received a telephone from an
5 interview that we conducted that we believed to be utilized by
6 Chapo Guzman.

7 Q When you say you obtained a telephone, what do you mean?

8 A A telephone number. Sorry.

9 Q Was this telephone number obtained from U.S. intelligence
10 or Mexican intelligence?

11 A It was from our U.S. intelligence.

12 Q What was the benefit of obtaining potential telephone
13 number for Chapo Guzman?

14 A That was the most latest phone number that we believed to
15 be associated with him, and it was very important number for
16 us to have.

17 Q And what can you do if you have a telephone number of a
18 fugitive?

19 A If we have that telephone number, then we're able to
20 utilize equipment to track that particular telephone.

21 Q Briefly, can you describe how the FBI or other law
22 enforcement tracks a telephone using a telephone number?

23 A With the use of specialized equipment, you are able to
24 track that number. Basically this equipment, in short -- and
25 I'm no expert on how it really functions -- but in short, it

JOSE MORENO - DIRECT - MR. PILMAR

1332

1 basically takes the place of a cellphone tower and utilize
2 that equipment. We're able to obtain the exact location or
3 where that phone is pinging or it's located.

4 Q What did you do with the information you obtained on
5 February 9, 2012?

6 A With that information, we shared that with our FBI
7 counterparts here in the United States and in Mexico City and
8 also with DEA counterparts.

9 Q At that time, what was the general location of the phone?

10 A The general location of the phone was pinging in the area
11 of Cabo San Lucas, Baja, California, Big Sur.

12 Q I'd like to put up what's already in evidence as
13 Government Exhibit 325.

14 Using your finger on the screen, can you circle
15 approximately where the phone was located at this time?

16 A Yes. Cabo San Lucas is located here at the end of the
17 peninsula.

18 Q Can you do a bigger circle?

19 A (Indicating.)

20 Q Try one more time.

21 A (Indicating.) That's the area of Cabo San Lucas.

22 MR. PILMAR: For the record, the witness has made a
23 circle on the left side of the screen at the bottom of the
24 peninsula.

25 Q I want to fast-forward a week and a half to February 18,

JOSE MORENO - DIRECT - MR. PILMAR

1333

1 2012. Did anything significant happen on that day regarding
2 the information you provided about Chapo Guzman?

3 A Yes. That information was utilized by our Mexican
4 counterparts, SE MAR, which is Mexican navy, and federal
5 police to go and attempt to locate Chapo Guzman in that
6 vicinity.

7 Q Did they locate him that day?

8 A No, they did not locate him on that day.

9 Q After they didn't locate him, what happened next?

10 A After they were not able to locate him, we were able to
11 bring in the U.S. Marshals. It was decided to bring in the
12 U.S. Marshals to come in and attempt to locate him for a
13 second time in that area.

14 Q What was your role?

15 A My role was to go there and coordinate with the U.S.
16 Marshals and our Mexican federal counterparts in an attempt to
17 locate Chapo Guzman.

18 Q When you say "go there," what do you -- where are you
19 referring to?

20 A To Cabo San Lucas.

21 Q You traveled down to Cabo San Lucas?

22 A Yes, I did.

23 Q On February 21, 2012, what happened that day?

24 A That's the day that myself and other Tijuana regional
25 office personnel from DEA arrived in Cabo San Lucas, and we

JOSE MORENO - DIRECT - MR. PILMAR

1334

1 met up with our federal counterparts from Mexico.

2 Q Can you just tell the jury who exactly you were
3 coordinating with that day, both on the U.S. side and the
4 Mexican side?

5 A On the side U.S. side it was the DEA and the U.S.
6 Marshals, and on the Mexican side it was federal police.

7 Q And who -- was there a specific unit in the federal
8 police you were working with?

9 A Yes. It was the SIU, or the Special Enforcement Unit,
10 that we were working with and coordinating with.

11 Q Who was the head of the SIU unit overall at that time?

12 A My understanding it was Ivan Reyes.

13 Q Had you met Ivan Reyes prior to that day?

14 A Yes, I had.

15 Q Was Ivan Reyes in Cabo San Lucas with you on February 21,
16 2012?

17 A No, not on that date.

18 Q Once you arrived in Cabo San Lucas on the 21st, were you
19 attempting to track Chapo Guzman's phone?

20 A Yes. The U.S. Marshals were attempting to track the
21 phone and try to find out the general location of where he
22 might be.

23 Q And where from the phone tracking did it appear that
24 Chapo's phone was?

25 A In an upscale neighborhood there in Cabo San Lucas,

JOSE MORENO - DIRECT - MR. PILMAR

1335

1 Hacienda Encantada is what it was called.

2 Q Ultimately, what happened on February 21?

3 A On February 21, we were unable to enter that location
4 because there was various security gates that didn't allow us
5 access, so we had to come up with another plan the next day
6 and figure out how to come in there and get into the area.

7 Q I just want to back up for a second.

8 In this attempt to capture Chapo Guzman, were you
9 going to be doing the arresting?

10 A No, sir, I was not going to be doing the arresting.

11 Q Why not?

12 A The FBI or other U.S. government agencies do not have any
13 jurisdictional powers in Mexico.

14 Q So who was going to actually do the arrest?

15 A The Mexican federal police.

16 Q Was there a specific unit in the federal police that was
17 leading that operation?

18 A It was the Special Enforcement Unit and the other federal
19 officers over there at the scene.

20 Q What happened the next day, February 22?

21 A The next day, early in the morning, we were able to gain
22 access to a nearby upscale hotel that we thought might give us
23 access to the location where we thought Chapo Guzman to be.
24 We were unable to get into the location we wanted to, so we
25 came up with a better plan to be executed later during that

JOSE MORENO - DIRECT - MR. PILMAR

1336

1 day.

2 Q What was the better plan?

3 A Basically to come back, gather at the staging location,
4 all of us together, and then have the SIU team enter the area,
5 detain the guards at the security gates so they would allow us
6 access into the area and so that we could do the work that we
7 need to do to locate Chapo Guzman.

8 Q In your training and experience, what are some of the
9 steps you take to set up a capture operation for a fugitive?

10 A First you got to come up with a plan, and after that --
11 which goes over all the details of how it's going to be
12 executed. You come up with a staging location, where you're
13 going to meet right before you execute that plan so that
14 everybody is ready to go. And everybody goes in unison to the
15 location that is going to be targeted.

16 Q You've mentioned a couple of times a staging location or
17 a staging area. What's that?

18 A A staging location is usually a place that is picked
19 nearby the target that you're going to go and do an operation
20 on, and it's in close proximity, not necessarily nearby so
21 you're not -- so they don't find out that you're there. And
22 we utilize that to just stage one more time before we go and
23 conduct the actual operation.

24 Q Those steps you listed that are usually successful for
25 capturing a fugitive, did you take those steps that day?

JOSE MORENO - DIRECT - MR. PILMAR

1337

1 A That is what we planned, yes, to take.

2 Q When was the operation planned to start?

3 A It was supposed to start -- we were supposed to all be
4 there at the staging location at 1:30 p.m. on the 22nd.

5 Q Based on your training and experience, what's the
6 significance of having a start time for an operation?

7 A Because of the nature of the operation we were going to
8 conduct and the individual we were targeting, it was vital,
9 and it was a time-sensitive operation that we needed to make
10 sure we started on time, especially because of the equipment
11 we were using, and it was tracking that phone there. And
12 there's always a possibility of that phone moving or that
13 person moving, so we needed to make sure that we start on
14 time.

15 Q In this case, did the operation start on time?

16 A No, it did not.

17 Q What happened?

18 A At 1:30 we arrived. We were there at the staging
19 location, and 52 of the federal police officers that were
20 supposed be there were not there.

21 Q How many federal officers were there at that time at 1:30
22 p.m.?

23 A Twelve of the Special Enforcement Unit team.

24 Q And when were those other 52 officers suppose arrive?

25 A They were supposed to be there at 1:30.

JOSE MORENO - DIRECT - MR. PILMAR

1338

1 Q And what happened next after they weren't there at 1:30?

2 A After that we had the SIU commander or lead call them to
3 try to get them there as soon as they can.

4 Q And what did he say and what did you say?

5 A They told him they will be there in 20 minutes, and they
6 never showed up after 20 minutes.

7 Q How long did it take for them to eventually show up?

8 A Approximately an hour.

9 Q What were you doing during this delay?

10 A During that time, other than pressuring my SIU
11 counterpart to continue to get them out there as soon as we
12 could, I was fielding calls from Mexico City from FBI and DEA
13 executive management.

14 Q How were you feeling during this delay?

15 A Anxious, desperate, a little bit angry for folks not
16 being there on time, and just uneasy about this whole
17 situation.

18 Q Why was it so important for you to move quickly?

19 A Like I mentioned, we need to work quickly. It's a
20 time-sensitive matter. There's a fear of the target that
21 we're going after being able to move or go somewhere else.

22 Q Why not just go in with the 12 federal police that you
23 had available at the time?

24 A Going in there with the 12 SIU personnel that we had
25 would not have been a safe maneuver. To target someone as

JOSE MORENO - DIRECT - MR. PILMAR

1339

1 high as Chapo Guzman, you cannot go in there with 12 federal
2 forces.

3 Q So I think you said at some point the remainder of the
4 federal police units arrived?

5 A Yes. Approximately about an hour later, they -- the 52
6 other federal officers arrived at the staging location.

7 Q So in total, how many Mexican law enforcement officers
8 did you have with you for this operation?

9 A 64, sir.

10 Q How did that compare for a typical operation to target a
11 high-level target such as Chapo Guzman?

12 A I've been in other operations before where we targeted
13 much lower targets and they had over 200 federal police
14 officers plus other equipment, like helicopters.

15 Q So once the remainder of the officers finally arrived,
16 what happened next?

17 A When the other officers finally arrived, we went over the
18 plan as quick as we could. The 12 SIU federal police officers
19 make their way with us into the area. They were able to
20 detain all the security guards at the gates, allowing us
21 access into the general area that we wanted to be in, and from
22 there the U.S. Marshals began to pinpoint the exact location
23 of Chapo Guzman utilizing the equipment.

24 Q Why was it important for the U.S. Marshals to go in there
25 to do that?

JOSE MORENO - DIRECT - MR. PILMAR

1340

1 A Because the U.S. Marshals are the ones who had the
2 equipment and they were the ones who were going to pinpoint
3 the exact location of Chapo Guzman.

4 Q Is being closer to the phone valuable for pinpointing the
5 exact location?

6 A Yes. That equipment best works when you're very close to
7 the phone. It gives you a real good approximate location
8 where it's at.

9 Q Was there a point where the Marshals identified the
10 likely location of Chapo's phone?

11 A Yes, there was.

12 MR. PILMAR: I'd like to show for the witness only,
13 please, what has been marked as Government Exhibit 208-31.

14 Q Can you see that on your screen?

15 A Yes, sir.

16 Q What are we looking at here?

17 A This is the cul-de-sac that we -- or the U.S. Marshals
18 entered and were able to identify the -- what we thought was
19 the location of Chapo Guzman at that time.

20 Q Is this a fair and accurate depiction of where the
21 operation took place on that day?

22 A Yes. This is La Camino del Estero, and the location is
23 here visible. And I can point that to you if you want.

24 MR. PILMAR: Your Honor, at this time seek to admit
25 Government Exhibit 208-31 into evidence.

JOSE MORENO - DIRECT - MR. PILMAR

1341

1 MR. DE CASTRO: No objection.

2 THE COURT: Received.

3 (Government Exhibit 208-31, was received in
4 evidence.)

5 BY MR. PILMAR:

6 Q Now that the jury can see it, I see you've drawn a little
7 bit of a red line here on the map.

8 What does that red line indicate?

9 A This is the entrance to La Camino del Estero, which is a
10 cul-de-sac.

11 Q Based on the information from the U.S. Marshals, where
12 did it appear that Chapo Guzman's phone was?

13 A The location that we believed Chapo Guzman to be in was
14 in this -- at this particular residence right here, which is
15 114. But to be safe, because we're not 100 percent sure, they
16 wanted us -- or they wanted the SIU personnel and federal
17 forces to target this house as well.

18 MR. PILMAR: For the record, the witness has marked
19 first the house on the left of the map and then the one
20 directly to the right of it.

21 Q What did you tell the SIU commander on the scene about
22 where Chapo Guzman likely was?

23 A The SIU Commander Santos was with me when the U.S.
24 Marshals pinpoint the location, and I specifically instructed
25 him to -- when he goes back to the other forces, to target

JOSE MORENO - DIRECT - MR. PILMAR

1342

1 these last two locations on La Camino del Estero, right here,
2 and that we believed him to be more likely in this last one,
3 but to target these last two.

4 And also one of the main things I went over with him
5 was the need to make sure that we secure those two areas by
6 securing the perimeter.

7 Q Can you circle on the map which one you told the SIU
8 commander was the more likely home that Chapo Guzman was in?

9 A Yes, this one right here (indicating).

10 Q Did the rest of the federal police eventually come up and
11 come into this area?

12 A Yes, sir.

13 Q And can you draw on the screen which house they went into
14 first?

15 A Yes. They hit this house here first before they moved on
16 to hit the last two on the cul-de-sac.

17 Q Was that --

18 MR. PILMAR: And for the record, the witness has
19 indicated the third house from the left in this cul-de-sac.

20 Q Was that part of the operational plan, to hit that house
21 that you just indicated first?

22 A No, that was not.

23 Q Based on your training and experience, was there any
24 reason to go to that house instead of the ones you identified?

25 A There was never any reason to go to that house at all,

JOSE MORENO - DIRECT - MR. PILMAR

1343

1 period.

2 Q After they hit this house, which one did they hit next?
3 Can you draw an indication of which one they went to next?

4 A So after this one, they went to the next one right next
5 to it, right here (indicating).

6 Q Was that the one you believed Chapo Guzman was more
7 likely to be in?

8 A No, that was not the one that we most likely believed
9 that he was in.

10 Q Did they eventually enter the fourth residence, the one
11 that you have circled that he was more likely to be in?

12 A Yes, they eventually make their way to the residence.

13 Q How did they enter the residence?

14 A Through the front gate.

15 Q Based on your 20 years of law enforcement experience,
16 what, if anything, does law enforcement -- should law
17 enforcement do to cover the back of a residence?

18 A Based on my 21 years of experience of working with the
19 FBI, every operation that I've been a part of, we always cover
20 the rear and the perimeter of a residence before we target
21 that location.

22 Q When you say "cover it," what do you mean?

23 A When you cover it, that means that you bring your agents
24 or personnel to the rear of the residence to avoid the escape
25 of the person that you're looking for.

JOSE MORENO - DIRECT - MR. PILMAR

1344

1 Q Based on what you could see, did the SIU cover the back
2 of the residence?

3 A No. I was in a position where I could see that no one
4 covered the rear of the residence.

5 Q Why didn't you cover the rear of the residence?

6 A Again, that wasn't my job to do. I have no
7 jurisdictional powers in Mexico. I cannot effect arrest, so
8 that was not my job to do.

9 Q What happened after the SIU eventually entered the fourth
10 residence?

11 A Approximately about ten minutes after they went to that
12 location, we drove to the front of the gate of the house, the
13 residence.

14 Q Was Chapo Guzman inside?

15 A No, Chapo Guzman was not inside.

16 Q What happened next once you arrived through the front?

17 A When I arrived through the front, I made my way into the
18 residence, where I noticed there were four individuals who had
19 been arrested. I began to utilize my BlackBerry telephone to
20 not only videotape, but take photographs of the residence and
21 the outside of it.

22 Q Did you see if the Mexican federal police were seizing
23 items?

24 A Yes.

25 Q What kind of items?

JOSE MORENO - DIRECT - MR. PILMAR 1345

1 A Numerous items: Telephones, ledgers, notebooks. They
2 found weapons, grenades.

3 Q You said you took some pictures?

4 A Yes. I took picture not only of everything -- most
5 everything inside the house, but a lot of the items that they
6 were bringing outside.

7 MR. PILMAR: With the consent of the defense, your
8 Honor, I seek to move to admit Government Exhibit 208-27T.

9 THE COURT: Received.

10 (Government Exhibit 208-27T, was received in
11 evidence.)

12 MR. PILMAR: Can we publish that to the jury?

13 Q And scroll to page 3 of the PDF.

14 What is this document?

15 A This is a document with all the photographs that I took
16 with translations on the right-hand side. And I did not write
17 those translations. Those were done by other FBI linguists or
18 personnel.

19 MR. PILMAR: Ms. Donovan, if we can zoom in on the
20 top photo on page 3.

21 Q What are we looking at here?

22 A Some of the telephones that they were bringing out from
23 the house, from the residence.

24 Q These were all telephones found inside Chapo's residence?

25 A Yes.

JOSE MORENO - DIRECT - MR. PILMAR

1346

1 MR. PILMAR: You can take that down.

2 If we can scroll from pages 6 to 12 slowly.

3 Q Generally, what do we see on the screen?

4 A Lots of photographs of ledgers or notebooks that I took.

5 Q What's a ledger?

6 A A ledger is a notebook of sorts that people keep track of
7 various items that they want to keep track of transactions or
8 whatever it is that they want to document.

9 Q And did you take pictures of many pages of ledgers on
10 that day?

11 A I took as many pictures as I could of all the ledgers and
12 all the pages.

13 Q What happened to all this --

14 MR. PILMAR: I'm sorry. Withdrawn.

15 Ms. Donovan, can we go to page 40 of the PDF. If we
16 could focus on the bottom photograph.

17 Q What are we looking at here?

18 A Those are some photographs of some of the weapons that
19 were found there, with -- some of these rifles had some
20 grenade launchers as well.

21 Q Were these inside the residence?

22 A Yes, they were.

23 MR. PILMAR: And finally, Ms. Donovan, can we go to
24 page 42 of the PDF.

25 Q On the top photograph, can you tell us what we're looking

JOSE MORENO - DIRECT - MR. PILMAR

1347

1 at here?

2 A Yeah. Some of the grenades for the grenade launchers and
3 even some hand grenades as well.

4 Q What happened to all this physical evidence?

5 A All the physical evidence was taken into custody by the
6 Mexican federal forces and taken back to Mexico City.

7 Q Were you allowed to take the evidence?

8 A No. That was not our evidence to take.

9 Q Did you participate in any further operations trying to
10 capture Chapo Guzman in the days after this?

11 A Yes, I did.

12 Q What happened?

13 A After this operation, more federal troops or personnel
14 from Mexico City arrived, and there were a series of other
15 operations that were conducted, like three -- for the next
16 three days.

17 Q Can you tell us a little bit about those?

18 A Yes. Some of those operations were conducted there in
19 the area of Cabo San Lucas in the areas that the U.S. Marshals
20 believed that the phone was still pinging, and so they were
21 conducted there. And then there were also some other
22 operations that were conducted north, in the northern part in
23 Baja, California, the northern part of the state.

24 Q Did any SIU personnel from Mexico City come to Cabo San
25 Lucas at that point?

JOSE MORENO - DIRECT - MR. PILMAR

1348

1 A Yes.

2 Q And who is that?

3 A Ivan Reyes.

4 Q That's the SIU head that you mentioned earlier?

5 A Yes.

6 Q What, if anything, stood out to you about these
7 operations in the days after the failed raid that we just
8 discussed?

9 A What really stood out was the fact that there was a lot
10 more personnel and a lot more equipment. We had Black Hawk
11 helicopters flying everywhere and we had a lot more federal
12 officers there.

13 Q And based on your training and experience, were all those
14 Black Hawks and personnel likely to result in the capture of
15 Chapo Guzman?

16 A If they would have been utilized at the onset, more
17 likely, yes.

18 Q And at that time later?

19 A Well, after that time he had already left, and we had no
20 real idea where he was. And it did not result in the capture
21 of Chapo Guzman.

22 MR. PILMAR: May I have one moment, your Honor?

23 THE COURT: Yes.

24 Q Was Chapo Guzman ever arrested in 2012?

25 A No, he was not.

MARLENE TARANTINO - DIRECT - MR. AMIR 1349

1 MR. PILMAR: No further questions, your Honor.

2 THE COURT: Cross-examination.

3 MR. MC MANUS: No cross, your Honor.

4 THE COURT: You may step down. Thank you very much.
5 Short witness? It doesn't matter. Let's start.

6 MR. AMIR: The Government calls Officer Marlene
7 Tarantino.

8 (Witness takes the witness stand.)

9 **MARLENE TARANTINO**, called as a witness, having been first duly
10 sworn/affirmed, was examined and testified first duly
11 sworn/affirmed:

12 THE COURTROOM DEPUTY: State and spell your name for
13 the record.

14 THE WITNESS: Good afternoon. My name is Marlene
15 Tarantino. M-A-R-L-E-N-E, T-A-R-A-N-T-I-N-O.

16 DIRECT EXAMINATION

17 BY MR. AMIR:

18 Q Good afternoon, Officer Tarantino.

19 Where do you work?

20 A I am -- I currently work for the Fraud Detection and
21 National Security Unit known as FDNS, a component of U.S.
22 Citizenship and Immigration Services with the U.S. Department
23 of Homeland Security.

24 Q And what's your title there?

25 A I'm an immigration officer.

MARLENE TARANTINO - DIRECT - MR. AMIR 1350

1 Q And what's USCIS, or the Citizenship and Immigration
2 Service's mission?

3 A We are an administrative agency, part of Homeland
4 Security, and we grant and review immigration benefits.

5 Q And what's the specific focus of FDNS for fraud detection
6 and national security?

7 A We're responsible for conducting administrative
8 investigations into immigration benefit fraud.

9 Q What are your duties as an officer at FDNS?

10 A I am a non-law enforcement administrative investigator.
11 I investigate fraud related to different types of immigrant
12 petitions, national security cases, and naturalization, known
13 as citizenship applications.

14 Q Have you held any prior positions?

15 A With USCIS, yes.

16 Q Can you describe those?

17 A Sure. I was an adjudicator prior to becoming an
18 immigration officer.

19 Q And what does an adjudicator do?

20 A An adjudicator simply is an officer that reviews any
21 pending immigration benefits applications for green cards, for
22 citizenship.

23 Q Now, in your current role you mentioned fraud. Can you
24 describe some examples of fraud you've encountered in
25 immigration applications?

MARLENE TARANTINO - DIRECT - MR. AMIR 1351

1 A Well, there's various types of fraud. Generally, because
2 we are an administrative agency, a lot of our fraud involves
3 paper-based fraud, meaning that individuals, applicants
4 provide false information on their petitions or application
5 for whichever benefit they're applying for. Sometimes they
6 provide fraudulent documentation to the agency in support of
7 those applications and petitions.

8 Q In your duties at FDNS, do you ever liaison with law
9 enforcement?

10 A Absolutely. I am currently detailed to Homeland Security
11 Investigations, so I liaison on a daily basis. That is part
12 of our main job, essentially, our day-to-day.

13 Q And, Officer, can you describe the process of applying
14 for citizenship to the United States?

15 A Sure. Essentially, to be an applicant for
16 naturalization, you have to be -- you have to meet certain
17 eligibility criteria, certain requirements set forth in
18 accordance with immigration law.

19 Q Can you describe some of those eligibility criteria?

20 A Sure. An applicant for naturalization has to establish
21 that they obtained their green card, also known as lawful
22 permanent residence, lawfully, that it wasn't obtained through
23 deceit, through fraud, willful misrepresentation. Those are
24 the requirements.

25 They have to demonstrate that they are a person of

MARLENE TARANTINO - DIRECT - MR. AMIR 1352

1 good moral character as well. Part of that means that they
2 haven't been investigated, they haven't been arrested, they
3 pay their taxes, they care for their dependents, their
4 children.

5 Q Are you familiar with the citizen application of the
6 defendant, Genaro Garcia Luna?

7 A Yes, I have reviewed it.

8 Q I'd like to show you for -- show for the witness only
9 what's been marked as Government's Exhibit 102.

1 DIRECT EXAMINATION (Continuing)

2 BY MR. AMIR:

3 Q Officer Tarantino, do you see that?

4 A Yes.

5 Q Do you recognize this?

6 A Yes.

7 Q What is this?

8 A This is the Form N-400, Application for Naturalization.

9 Q Is this an exact copy of the defendant's naturalization
10 application?

11 A Yes.

12 Q And do you know approximately when this application was
13 submitted?

14 A I do not know. I would have to review the file again.

15 Q No problem. We'll go back to that.

16 MR. AMIR: Your Honor, I move to admit Government
17 Exhibit 102 into evidence.

18 MR. MIEDEL: No objection.

19 THE COURT: Received.

20 (Government Exhibit 102, was received in evidence.)

21 Q So I'd like to direct your attention first to page 2 of
22 this document.

23 And you mentioned that you had reviewed this
24 document before.

25 When have you reviewed this document.

MARLENE TARANTINO - DIRECT - MR. AMIR 1354

1 A I reviewed this document sometime in 2019.

2 Q Thank you.

3 So directing your attention to Question 8, what is

12 Q And directing your attention to page 3, part 5 of the
13 application.

14 What's requested in this part of the form.

16 an employer?

17 A Yes.

18 Q What's that employer?

19 A GL & Associates Consulting LLC.

20 Q And did the defendant describe what kind of occupation
21 that was?

22 A On the application, he listed: Security consultant.

23 Q Moving to page 7, part 9 of the application.

24 What information is requested here.

25 A Trips outside of the United States in excess of 24 hours.

MARLENE TARANTINO - DIRECT - MR. AMIR 1356

1 Q Could I ask you to read the question and answer to
2 Question 1.

3 A Sure.

4 How many total days (24 hours or longer) did you
5 spend outside the United States during the last five years?

6 He listed: 685 days.

7 Q And can you also read the question and answer for No. 2.

8 A Sure.

9 How many trips of 24 hours or longer have you taken
10 outside of the United States during the last five years?

11 And he listed: 74 trips.

12 Q Officer Tarantino, have you reviewed the defendant's
13 travel records?

14 A Yes.

15 Q And are you able to determine what country he primarily
16 traveled to?

17 A Yes. Mexico.

18 Q Moving to page 8, part 10 of the application.

19 What information is sought in response to
20 Question G.

21 A His current spouse's employer.

22 Q And how is that question responded to?

23 A As stated in the application: Restaurant and beverage
24 operator, Los Cedros LLC.

25 Q And directing your attention to page 14, part 12 of the

MARLENE TARANTINO - DIRECT - MR. AMIR 1357

1 application.

2 Can you read the question and answer to Question 22.

3 A Sure.

4 Have you ever committed, assisted in committing, or
5 attempted to commit, a crime or offense for which you were not
6 arrested?

7 He marked "No" on the application.

8 Q Moving to page 16, part 13 of the application.

9 Do you see a question related to the ability to
10 understand and read English.

11 A Yes.

12 Q And can you read the question and answer to that?

13 A Well, No. 1 states: Applicant's statement regarding the
14 interpreter.

15 And he check-marked "A," which states: I can read
16 and understand English, and I have read and understand every
17 question and instruction on this application and my answer to
18 every question.

19 Q And directing your attention to page 17, part 13 of the
20 application.

21 What is this section of the application about.

22 A It's the applicant's certification, essentially attesting
23 that the contents of the application and any related
24 documentation is true and correct.

25 Q Could I ask you to read the last sentence of the

MARLENE TARANTINO - DIRECT - MR. AMIR 1358

1 certification?

2 A I certify, under penalty of perjury, that I provided or
3 authorized all of the information in my application, I
4 understand all of the information contained in, and submitted
5 with, my application, and that all of this information is
6 complete, true, and correct.

7 Q And how did the defendant respond to that question?

8 A He signed and dated the application.

9 Q And what's the date?

10 A June 1st, 2018.

11 MR. AMIR: Thank you, Ms. Donovan. You can take
12 down this exhibit.

13 Q Now, Officer Tarantino, you testified a moment ago that
14 the defendant checked "No" in response to Question 22, which
15 asked if he has ever committed a crime.

16 What role, if any, does such an answer play in the
17 agency's review of an application.

18 A It plays an important role because it lends to
19 eligibility requirements for good moral character as part of
20 the application process for citizenship.

21 Q And why is good moral character important for
22 citizenship?

23 A Well, it's a great privilege to be a citizen of the
24 United States, and USCIS strives to make sure that we
25 naturalize the right people.

MARLENE TARANTINO - DIRECT - MR. AMIR 1359

1 Q And what steps would you have taken if the answer checked
2 were "Yes, I have committed a crime"?

3 A Well, we would pause the application and conduct
4 additional investigation into the application, the applicant.

5 Q And what kind of investigation would be done?

6 A We would reach out to law enforcement, our law
7 enforcement counterparts, to see if there's any pending
8 investigations. We will reach out to other administrative
9 agencies, conduct additional queries and databases, more of a
10 deep dive.

11 Q You mentioned you would reach out to law enforcement when
12 an applicant checks "Yes" in response to Question 22.

13 What impact would checking "Yes" have on the
14 criminal investigators.

15 MR. MIEDEL: Objection.

16 THE COURT: You need a foundation.

17 Q Are you aware of anyone checking "Yes" on the form?

18 A Yes.

19 Q Can you describe any examples of that?

20 A Well, excuse me, sometimes people check "Yes" in error.
21 Sometimes applicants want to be incredibly honest and
22 forthcoming, so they'll check "Yes" if they've committed minor
23 offenses, maybe, you know, drunk-in-public charges. Many
24 applicants want to obtain citizenship, so they're very honest
25 with the service, with USCIS.

MARLENE TARANTINO - DIRECT - MR. AMIR 1360

1 Q And does having committed a crime automatically call for
2 the rejection of someone applying for citizenship?

3 A Not necessarily. However, there are permanent bars to
4 citizenship.

5 Q What kind of crimes are permanent bars to citizenship?

6 A Well, if you're convicted for racketeering, money
7 laundering, drug trafficking, the big crimes, the big
8 aggravated felonies, those are permanent bars.

9 Also, if you have committed crimes for which you
10 have not been arrested and they involve crimes of moral
11 torpitude or controlled substance related, those can also be a
12 bar as well.

13 Q How did you first learn about the defendant,
14 Genaro Garcia Luna?

15 A An inquiry from the Department of Justice was received by
16 my office.

17 MR. AMIR: Ms. Donovan, can you show for the witness

19 Q Officer Tarantino, is this the letter you received?

20 A Yes.

21 MR. AMIR: The government moves to admit Government
22 Exhibit 105 into evidence.

23 MR. MIEDEL: Objection.

24 THE COURT: You are objecting?

25 MR. MIEDEL: Yes.

1 *** Proceedings Proceedings THE COURT: Okay.

2 Let's send the jury home and have a sidebar. Well, we won't
3 need a sidebar. We will talk in open court.

4 Ladies and gentlemen, have a good evening. Please
5 remember not to consult any publicity about the case. Do not
6 communicate with anyone. You all know what to do and what not
7 to do. See you tomorrow morning at 9:30 a.m.

8 (Jury exits.)

9 THE COURT: The witness may step down. Come back
10 tomorrow.

11 THE WITNESS: Thank you.

12 THE COURT: Everyone be seated.

13 Let me here from the government -- oh, let's wait
14 for a minute.

15 (Witness steps down.)

16 MR. AMIR: Your Honor, this is being offered --

17 THE COURT: Wait, wait.

18 Okay. Go ahead. Why?

19 MR. AMIR: Thank you.

20 This is being offered to show what steps she took in
21 response to the letter. So this being shown only for the
22 effect on the listener and what steps she took. And also to
23 show that the statement traveled to the Eastern District of
24 New York, which is itself a form of a verbal act akin to a
25 contract which is not hearsay, assuming that's their

1 objection.

2 MR. MIEDEL: Well, the objection was hearsay, but
3 also relevance.

4 THE COURT: You know, it shows why she did what she
5 did, which shows, in turn, the process that was followed. If
6 you want, I will give an instruction to the jury that it is
7 not being offered for the truth.

8 MR. MIEDEL: Okay.

9 THE COURT: Let's do that first thing in the
10 morning.

11 See you tomorrow at 9:30.
